12.1 Region Wide Approach to Shared Housing – Supplementary Report

The following was before Council:

- Supplementary staff report dated July 7, 2023, revised August 21, 2023
- Extract from the August 22, 2023 Regional Council draft minutes
- Correspondence from Debra Lucas
- Staff presentation dated September 12, 2023

Matt Conlin, Planner III, Planned Growth gave a presentation and responded to questions of clarification from Council. Conlin confirmed that the May 23, 2026 construction deadline extension applied only to the 25 development permits in the staff report.

John Traves, K.C., CD, Executive Director of Legal & Legislative Services/Municipal Solicitor/Chief Governance Officer confirmed Councillor Blackburn could participate in the deferred public hearing despite their absence at the original May 23, 2023 public hearing as the amendments passed on May 23, 2023 resulted in a new first reading and public hearing.

The hearing opened at 6:15 p.m.

Mayor Savage noted that the municipality was the applicant for this matter.

Mayor Savage reviewed the rules of procedure for public hearings and called for anyone wishing to speak on the matter.

Vijay Bhashyakarla, Dartmouth spoke in favour of Senior Citizens Housing use being permitted to continue as an existing use for specified lots, including their own development on Lucasville Road as the deadline extension would allow them to complete their project.

Joseph Kirby, Dartmouth South spoke in favour of the extension for development permits to allow for the building of more housing, especially for seniors. Kirby asked for clarification of the change of the zone for seniors housing from multi-unit to single unit and disagreed with the zoning change because all types of senior housing should be allowed.

Debra Lucas, Chair of Lucasville Community Association, Lucasville spoke to their concerns about the building of multi-unit developments because they were not respectful of the Lucasville community's

heritage value and brought negative impacts to the community's limited infrastructure with the lack of sidewalks and public transit. Lucas noted the development would result in increased traffic and speeding on existing poor roads.

Angela Downey, Lucasville spoke to the detrimental impacts of 25 developments on Lucasville and their concerns that none of the developers consulted residents regarding the developments' potential impacts on the community. Downey requested a levy be placed on the developments to pay for the infrastructure improvements required; including water service, sidewalks and public transit.

Gabby Sorenson, Bedford spoke to concerns regarding the amount of time and money spent on minor zoning changes and stated that the development conversation should focus on supporting people to live where they want to live.

Hadi Mousari, Halifax spoke in favour of the proposed changes as they brought more housing to Halifax Regional Municipality (HRM).

Yao Chen, Bedford spoke in favour of the proposed amendment changes as they would help in resolve HRM's housing crisis and spoke in support of the extension of municipal water services to the Hammonds Plains area specifically between Lucasville and Voyager Way.

Mohammed Ranjbarzadeh, Beaver Bank spoke in favour of the amendment as it would provide them more time to design their development, get permits and to construct fully adaptable and affordable housing in the area. Ranjbarzadeh spoke to the benefits additional residents would bring to the area, including more businesses and increased demand to attract a public transit route. Ranjbarzadeh responded to questions of clarification from Regional Council.

Stephen Adams, Halifax spoke in favour of the proposed amendment and clarified the definition of affordable housing to be used by some of the 25 developers whose developments would continue as Senior Citizen Housing use.

MOVED by Councillor Mason, seconded by Councillor Lovelace

THAT the hearing be closed.

MOTION PUT AND PASSED.

The hearing closed at 6:38 p.m.

Conlin responded to questions of clarification from Regional Council. Conlin clarified the reasons for replacing the Senior Citizens Housing use with the Shared Housing with Special Care use was to make it easier for people with accessibility needs to obtain housing and improve HRM zoning enforcement. Conlin clarified that the introduction of the Shared Housing with Special Care use did not include an unit number limit as the intention with the definition change was to keep the same density.

MOVED by Councillor Lovelace, seconded by Councillor Stoddard

THAT Halifax Regional Council adopt the proposed amendments to the Secondary Municipal Planning Strategy and Land Use Bylaw for Beaver Bank/ Hammonds Plains/ Upper Sackville, to establish Senior Citizens Housing use as an existing use on specified lots, as set out in Attachments A & B of the revised supplementary staff report dated July 7, 2023.

Council spoke to the benefit of allowing the Senior Citizens Housing use to continue as an existing use for the 25 development permits listed in the staff report as these permits were previously approved and the amendment allowed for the removal of the Senior Citizens Housing use from the Secondary Municipal Planning Strategy and Land Use Bylaw on a go forward basis.

MOTION PUT AND PASSED UNANIMOUSLY.
