

Volunteer Opportunity

VisionHRM Bedford Waterfront

This is **your** chance to ensure the vision for the Bedford Waterfront becomes a reality over the next 10, 15 or 20 years.

VisionHRM is a community led initiative that began in Fall 2006. The vision and action plan for the Bedford Waterfront was endorsed by HRM Regional Council in late fall 2007. Now the Bedford Waterfront Community Liaison Group (CLG) is seeking new members to join a Vision Implementation Committee and for interested residents to join Task Groups for the four major themes of the Action Plan:

- Development & Design
- Transit & Transportation
- Community Facilities & Infrastructure
- Environment

Volunteers need only to be passionate about their community and able to offer a one to two year commitment (expertise in the theme areas is not required).

Join us at a public meeting to hear more about the action plan and how to become part of it.

What: The Next Steps - VisionHRM Bedford Waterfront Community Meeting
When: Wednesday, January 16, 2008
