Dartmouth Municipal Planning Strategy & Land Use By-law Amendments:
Former Penhorn Mall, Dartmouth

Date: Wednesday, December 14, 2011

Time: 7 p.m. – 9 p.m.

Location: Alderney Elementary School gymnasium,
2 Penhorn Drive, Dartmouth

(The alternate date in case of inclement weather is Wednesday, January 11, 2012)

Background

HRM is considering amendments to the Community Plan to enable mixed-use redevelopment on the former mall property. There is currently no specific development proposal for the property. HRM is interested in putting the necessary policies in place now to enable re-development in accordance with the 2006 Regional Plan and the 2009 Penhorn-Woodlawn Community Vision.

Proposed Amendments

New policies would support transit-oriented and pedestrian-friendly development integrated and compatible with the surrounding community. Proposed policies will protect neighbourhood stability by maintaining and improving existing pedestrian connections to the Penhorn Mall property and limiting vehicular access to Portland Street only.

Meeting Format

Information display panels will be available for review and comment for the duration of the meeting, a staff presentation is scheduled for 7:30 p.m., followed by a question and answer period.

The Penhorn/Woodlawn Vision Action Team (VAT) and the VAT Trail Committee will also be in attendance to discuss your ideas for a walking trail linking the Penhorn Lake Area to surrounding communities.
