SACKVILLE N.S. LIONS CLUB
P.O. BOX 251
LOWER SACKVILLE, N.S.

2 June, 2009

Dear Brad Johns,

The Sackville NS Lions Club suffered extensive water damage to the lower part of the club due to leaking footings. There were also other renovations that needed to be done in other areas of the club. The following is a list of what repairs have been carried out:

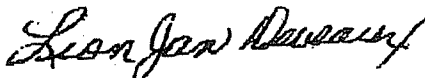

1. 4 windows replaced
2. Repainted upstairs and down
3. Lighting fixtures replaced
4. New sub floor and tile replaced in bottom half of club
5. New ceiling in bottom half of club

The following repairs have cost the club in the vicinity of \$25,000.00 and we are asking if you would consider helping us to defray some of the cost that the club has incurred.

We are very proud of our club and it is rented out for functions on a regular basis and we would like to keep it at a standard which appeals to the public.

Awaiting a reply, I remain,

Yours truly,

Lion Jan Deveaux
President
