

9 June, 2010

Office of the Mayor, HRM

Your Worship,

The Fall River Vision Implementation Committee is sponsoring a Canada Day celebration in Fall River. Acknowledging the large number of military families in the area and as part of the celebration of Canada, the organizers thought it would be appropriate to request the Canadian Forces to conduct a "Flyby" of the community.

A Seaking from 12 Wing Shearwater has been requested but we understand that it is incumbent upon this committee to request permission from HRM for the "Flyby". The flight path for the aircraft requested of the Canadian Forces is down the Shubenacadie waterway from the South end of Lake Thomas in the vicinity of Waverley proceeding North to the South end of Lake Fletcher and return to start. The commencement of the flyby would be approximately 12:35 p.m. and the duration should be approximately ten (10) minutes.

Please acknowledge the request for the above "Flyby" and send reply to:

12 Wing Operations, Plans and Tasks
PO Box 5000,
Station Main
Shearwater, NS
B0J 3A0
Attention: Major R. Truscott

Email: Rob.Truscott@forces.gc.ca

And: fallrivervic@gmail.com

Thank you for your consideration.
Yours aye,
Michael Creighton
Chairman,
Fall River Vision Implementation Committee,
Fall River Canal Day
