

Dear Residents:

As I write this letter to you, I am in the midst of preparing for the holiday season. Reminders of Christmases past evoke peaceful and happy memories for me and for my family. While I incorporate tradition, I also enjoy fresh new ideas each year, always with a bit of seaside flair in the mix!

In my home, the spirit of giving is an important part of our holiday celebrations. Please take the time to consider how you may contribute to making the holidays a little happier for those in need.

During the holidays, my family and I would like to extend warm wishes to all residents for peace and joy throughout the season. We hope that you will enjoy this special time, and that the coming year will be filled with joy, health and happiness. From our home to yours, we extend warm holiday greetings, and best wishes for 2010.

Happy Holidays to all! I hope that you are enjoying the festive display at Quigley's Corner as we celebrate our new "Town Square". As it matures, I trust it will provide a splendid welcoming entrance to our community.
