

**Cancer Relay for Life**  
**Friday, June 13**

---

Good Evening,

On behalf of residents of District 8, it gives me great pleasure to participate in the Canadian Cancer Society's Relay for Life, and to extend to you very warm greetings.

This event is a celebration for many people. Those people who have survived the dreadful disease of cancer, their friends and their families. With the love and support of many of you here this evening, they have made it to the next stage of their lives. Your presence here shows that you have tremendous faith and hope that Cancer can be beaten!

Many thanks to the organizers of this special "relay for life" event, which is taking place over the next 12 hours.

The Canadian Cancer Society continues to contribute significantly to the Community. Events such as the Relay renew our courage and provide hope and inspiration to all.

Again, thank you for inviting me to participate this evening.
