

Mainland North Volunteer Recognition Committee

Nomination Form 2006

"We make a living by what we get, we make a life by what we give." Winston Churchill

Our committee believes it is important to recognize individuals who have given of themselves to make life better for others. These acts of caring are an intricate thread in the fabric of our lives, and together we salute volunteers for their invaluable contributions to others. The volunteer nominated should exemplify service to your organization over an extended period of time. Please include as much information as possible about their service to the community through the many groups and organizations that they serve (use extra paper if necessary).
