

Councillor Linda Mosher

Dear Residents:

It has been quite a year since I was elected and sworn in as your Municipal Councillor for District 17. I must say that it is a pleasure to represent the residents in our District. I have enjoyed meeting many of you, and working with you to develop opportunities and address issues in our great area. I look forward to another year on Council, bringing forward your ideas and concerns. I will work to my best ability to represent all residents of District 17 and ensure that your voices are heard.

Please note my telephone numbers, feel free to contact me at your convenience. I have also included a telephone directory of departments that residents may wish to contact if they have specific requests of these Divisions.

This Newsletter will focus on topics that have arisen over the past few months. I have combined my Fall and Winter Newsletter into a "double issue" to save on mailing costs. I hope that you will find it useful and informative.

I wish everyone a Joyous Holiday Season and a Happy New Year!

Sincerely,

Linda Mosher

PARKS AND PLAYGROUNDS

Recently, I visited all parks and playgrounds in District 17 with a Supervisor and Senior Supervisor for Parks and Open Spaces, based on requests for upgrades/additions from residents. Park staff evaluated these areas and have made recommendations for next year's capital budget, I will follow up on these requests to ensure they are implemented.

NO DOG SIGNS

Sports fields are now closed for the season, therefore, people can once again run their dogs on these fields. Any signage in place indicating "no dogs allowed", applies only to the months when the fields are in use for recreation programs.
