Dear Mr. Minister:

Re: James McPhee Memorial Ballfield (Sambro ballfield) West Pennant Road

Over the past number of years our community has put a lot of time, effort and money into the Sambro ballfield.

The ditch at the ballfield has not been dug out properly and, as a result, has compromised the integrity of the field itself.

I am requesting that arrangements be made to have the ditching done in such a way as to provide proper drainage to alleviate the flooding problem.

Yours very truly,

Stephen Adams
Councillor, District 18
