Dear Mr. Minister:

This letter is with regard to property adjacent to the Harrietsfield Irving on the Old Sambro Road.

As you can appreciate, blowing snow during the winter can cause issues with regard to whiteouts and drifting. This causes problems for motorists and snow plow drivers alike.

By way of this letter, I am requesting consideration be given to erecting a temporary orange snow fence at this location for the coming winter.

I appreciate your consideration of my request.

Yours very truly,

Stephen Adams
Councillor, District 18
