Water Main Work-Akerley Boulevard

(Tuesday, January 10, 2012) – Repair work to a section of the 24 inch water main on Akerley Blvd. will get underway tomorrow morning and continue into the evening hours. This planned work is part of Halifax Water’s Leak Detection Program.

The work will take place in the inbound lanes of Akerley Blvd. between Fielding Ave. and Isnor Dr. Both inbound lanes of Akerley Blvd. will be closed to traffic. The 2 outbound lanes of Akerley Blvd between Fielding Ave and Isnor Dr. will be converted to way traffic.

Experienced traffic control personnel will be on-site to ensure smooth traffic flow. On site personnel will also maintain communication with local residents and businesses to help minimize disruption.

Motorists are asked to use alternate routes where possible and to proceed carefully through the work zone. **Motorists are also reminded that speed fines double in work zones.**

We apologize for any inconvenience this necessary infrastructure work may cause.
