Water Main Break –Bedford Highway

(Thursday, April 21, 2011) – Halifax Water crews are on-site repairing a water main break near the intersection of the Bedford Highway and Hammond's Plains Rd.

Crews estimate having water service restored at approximately 2:30pm.

The break is the result of an accidental impact by a contractor working in the area.

Motorists are asked to proceed carefully through the work zone. **Motorists are also reminded that speed fines double in work zones.**

We apologize for any inconvenience to our customers.
