

REQUEST FOR PROPOSALS

FLOW MONITORING SERVICES

Sealed Request for Proposals plainly marked on the envelope “Request for Proposals – Flow Monitoring Services”, will be received by the undersigned until 3:00 p.m., Atlantic Daylight Time, Friday, October 22, 2010.

Halifax Water is soliciting proposals for flow monitoring of sewers and precipitation gauging at various locations serviced by Halifax Water infrastructure. The flow monitoring services will include the supply, installation, and removal of flow meters and rain gauges; equipment operation, calibration, and maintenance; data retrieval; data analysis; and reporting of results.

The Request for Proposals documents may be obtained from the cashier and information counter at Halifax Water, 200 Bluewater Road, Suite 201, Bedford, NS, free of charge. Documents will also be available via fax or email by sending your contact information to Heather Fillmore by email at HeatherF@halifaxwater.ca or phone (902) 490-5031, specifying your preferred delivery method.

Proposals shall be completed in accordance with the RFP document. The right is reserved to reject any or all proposals or to accept any proposal that may be considered in the best interest of Halifax Water.

Further inquiries may be addressed to Craig Campbell, P.Eng., Project Manager by email campbecr@halifaxwater.ca or by phone (902) 490-5606.
