

## NO FISHING

Halifax Water wishes to inform the public that **FISHING IS NOT PERMITTED** in or on any of the lakes and/or water courses located within the watersheds of Pockwock Lake, Bennery Lake, Chain Lake, and Lake Lamont. These waters include Sullivan Pond, Bennery Lake, Lake Lamont, Topsail Lake, Chain Lake, Pockwock Lake, Bottle Lake, Island Lake, Lacey Mill Lake and all tributaries that flow into these waters that fall within the provincially designated protected watersheds. **These lakes and tributaries form part of the public water supply for Dartmouth, Halifax, Bedford-Sackville, Halifax Stanfield International Airport, Aerotech Industrial Business Park, and the Lakeside Timberlea areas. Anyone found fishing in these waters will be prosecuted.**

In addition, fishing is **RESTRICTED** in Lake Major, Long Lake, East Lake, Spider Lake and all tributaries that fall within the Lake Major watershed. These watersheds are located within the East Region of the Halifax Regional Municipality with the following restrictions:

- No person shall fish at any time from a vessel on Long Lake.
- No person shall fish from the shoreline or bank of Long Lake within one hundred (100) metres of the intake for the water supply for the community of North Preston.
- No person shall fish from a vessel or from the shoreline or bank of Lake Major within one hundred (100) metres of the intake for the water supply for the Dartmouth area.

**These lakes form part of the public water supply for Dartmouth, Cole Harbour, Eastern Passage, and North Preston.**

**In addition, no unauthorized use of all motorized vehicles, including off highway vehicles as defined in the Nova Scotia Off-Highway Vehicles Act R.S. c. 323, are permitted within the above mentioned watersheds, including posted lands owned by Halifax Water.**

**Anyone not conforming to these regulations will be prosecuted.**
