

## **REQUEST FOR PROPOSALS**

### **BEDFORD WEST REGIONAL WASTEWATER SYSTEM DESIGN**

Sealed Request for Proposals plainly marked on the envelope “Request for Proposals – Bedford West Regional Wastewater System Design”, will be received by the undersigned until 3:00 p.m., Atlantic Daylight Time, January 25, 2012.

Halifax Water is soliciting proposals for the design of a regional wastewater trunk system to link approximately 1000 hectares in the Bedford West Area to the existing wastewater trunk sewer on Kearney Lake Road. This will require the design and construction of two pump stations, approximately 2100 metres of gravity sewer and approximately 2600 metres of force mains.

The Request for Proposals documents may be obtained from the cashier and information counter at Halifax Water, 200 Bluewater Road, Suite 201, Bedford, NS, free of charge. Documents will also be available via fax or email by sending your contact information to Heather Fillmore via email at [HeatherF@halifaxwater.ca](mailto:HeatherF@halifaxwater.ca) or phone (902) 490-5031, specifying your preferred delivery method.

It should be noted that a voluntary pre-proposal conference will be held on January 16, 2012 at 10:00 a.m. local time. Further details are contained in the RFP document.

Proposals shall be completed in accordance with the RFP document. The right is reserved to reject any or all proposals or to accept any proposal that may be considered in the best interest of Halifax Water.

Further inquiries may be addressed to Greg Rice, P.Eng., Project Manager via email [riceg@halifaxwater.ca](mailto:riceg@halifaxwater.ca) or by phone (902) 490-6700.
