Table Q1 Q1. What area of HRM do you live in?

- Table Q2 Q2. Thinking about all the programs and services you receive from the municipality, please indicate the degree to which you believe you receive good or poor value for the level of property taxes that you currently pay?
- Table Q3 Q3. When the municipality is creating the municipal budget, please indicate which of the statements comes closest to your point of view. The municipality should:
- Table Q4 Q4. Based on the current economic situation do you think it's more important that the municipality reduce taxes for citizens and business or focus on maintaining and increasing services to support the economy?
- Table Q5A Q5A. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Accessibility programming (example: physical / intellectual / emotional access to facilities, services, and programs).
- Table Q5B Q5B. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Affordability / free programming.
- Table Q5C Q5C. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Arts and cultural facilities and programs.
- Table Q5D Q5D. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Bike lanes / cycling facilities.
- Table Q5E Q5E. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Business support services (example: permits).
- Table Q5F Q5F. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Cleanliness (example: litter & graffiti removal).
- Table Q5G Q5G. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Community planning / land use planning and approvals.
- Table Q5H Q5H. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Community standards (example: by-law enforcement).
- Table Q5I Q51. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Diversity and inclusiveness programs (example: language and culture programming).
- Table Q5J Q5J. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Economic development (example: promoting and connecting Halifax to grow and get business, talent, and investment).
- Table Q5K Q5K. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Emergency preparedness.
- Table Q5L Q5L. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Environmental protection and sustainability.
- Table Q5M Q5M. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Fire services.
- Table Q5N Q5N. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Garbage, recycling, and organics collection.
- Table Q5O Q50. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Halifax Public Libraries.
- Table Q5P Q5P. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Overall city maintenance.
- Table Q5Q Q5Q. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Parking enforcement.
- Table Q5R Q5R. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Police services.

- Table Q5S Q5S. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Public engagement (example: consultation on projects like Cogswell District, citizen surveys, etc.).
- Table Q5T Q5T. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Public transit - Conventional bus & ferry (example: reliability).
- Table Q5U Q5U. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Public transit - Access-A-Bus (example: reliability).
- Table Q5V Q5V. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Overall transit service.
- Table Q5W Q5W. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Indoor recreation facilities (example: community centres, pools).
- Table Q5X Q5X. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Outdoor recreation facilities (example: sports fields).
- Table Q5Y Q5Y. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Recreation programming (example: swimming, camps).
- Table Q5Z Q5Z. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Sidewalk maintenance.
- Table Q5AA Q5AA. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Street / road maintenance.
- Table Q5BB Q5BB. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Traffic management (example: signals).
- Table Q5CC Q5CC. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Traffic / pedestrian safety.
- Table Q5DD Q5DD. Please tell us how satisfied you are with each of the following services and programming provided by the municipality: Winter maintenance (example: snow and ice control).
- Table Q5 2 Q5 2. Would you be willing to pay additional tax to improve any of the services below?
- Table Q6 Q6. Overall, how satisfied are you with the delivery of all the services provided by the municipality?
- Table Q7A Q7A. Please rate the following strategic themes in terms of its importance to you: Environment.
- Table Q7B Q7B. Please rate the following strategic themes in terms of its importance to you: Governance and Engagement.
- Table Q7C Q7C. Please rate the following strategic themes in terms of its importance to you: Economy and Planning.
- Table Q7D Q7D. Please rate the following strategic themes in terms of its importance to you: Communities.
- Table Q7E Q7E. Please rate the following strategic themes in terms of its importance to you: Integrated Mobility.
- Table Q7F Q7F. Please rate the following strategic themes in terms of its importance to you: Service Excellence.
- Table Q8A Q8A. For the following Governance & Engagement service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Public engagement (consultation on Cogswell District, citizen surveys, etc.).
- Table Q8B Q8B. For the following Governance & Engagement service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Overall city maintenance.
- Table Q9A Q9A. For the following Economy and Planning service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Business support services.
- Table Q9B Q9B. For the following Economy and Planning service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Community planning / development approvals.
- Table Q9C Q9C. For the following Economy and Planning service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Economic development.

Table Q10A Q10A. For the following Environmental service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Environmental protection and sustainability.

- Table Q10B Q10B. For the following Environmental service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Garbage, recycling, and organics collection.
- Table Q11A Q11A. For the following Integrated Mobility service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Bike lanes / cycling facilities.
- Table Q11B Q11B. For the following Integrated Mobility service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Parking enforcement.
- Table Q11C Q11C. For the following Integrated Mobility service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Public transit – conventional bus / ferry.
- Table Q11D Q11D. For the following Integrated Mobility service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service; Public transit - Access-A-Bus,
- Table Q11E Q11E. For the following Integrated Mobility service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Overall transit service.
- Table Q11F Q11F. For the following Integrated Mobility service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Sidewalk maintenance.
- Table Q11G Q11G. For the following Integrated Mobility service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Street / road maintenance.
- Table Q11H Q11H. For the following Integrated Mobility service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Traffic management.
- Table Q11I Q111. For the following Integrated Mobility service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Traffic / pedestrian safety.
- Table Q11J Q11J. For the following Integrated Mobility service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Winter maintenance.
- Table Q12A Q12A. For the following Communities service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Accessibility programming.
- Table Q12B Q12B. For the following Communities service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Affordability / free programming.
- Table Q12C Q12C. For the following Communities service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Arts and cultural facilities and programs.
- Table Q12D Q12D. For the following Communities service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Cleanliness (litter and graffiti removal).
- Table Q12E Q12E. For the following Communities service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Community beautification.
- Table Q12F Q12F. For the following Communities service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Diversity and inclusiveness programs.
- Table Q12G Q12G. For the following Communities service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service; Emergency preparedness,
- Table Q12H Q12H. For the following Communities service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Fire services.
- Table Q12I Q12I. For the following Communities service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Halifax Public Libraries.
- Table Q12J Q12J. For the following Communities service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Parks, playgrounds, and green spaces.
- Table Q12K Q12K. For the following Communities service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Police services.
- Table Q12L Q12L. For the following Communities service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service: Indoor recreation facilities.

- Table Q12M Q12M. For the following Communities service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service; Outdoor recreation facilities.
- Table Q12N Q12N. For the following Communities service, please indicate whether you believe the municipality should increase, maintain, or reduce the level of service; Recreation programming,
- Table Q13A Q13A. Given the challenges of the current economic environment posed by the COVID-19 pandemic would you be willing to support a tax increase in support of the strategic theme of Environment?
- Table Q13B Q13B. Given the challenges of the current economic environment posed by the COVID-19 pandemic would you be willing to support a tax increase in support of the strategic theme of Governance and Engagement?
- Table Q13C Q13C. Given the challenges of the current economic environment posed by the COVID-19 pandemic would you be willing to support a tax increase in support of the strategic theme of Economy and Planning?
- Table Q13D Q13D. Given the challenges of the current economic environment posed by the COVID-19 pandemic would you be willing to support a tax increase in support of the strategic theme of Communities?
- Table Q13E Q13E. Given the challenges of the current economic environment posed by the COVID-19 pandemic would you be willing to support a tax increase in support of the strategic theme of Integrated Mobility?
- Table Q13F Q13F. Given the challenges of the current economic environment posed by the COVID-19 pandemic would you be willing to support a tax increase in support of the strategic theme of Service Excellence?
- Table D1 D1. What gender identity do you most associate with?
- Table D2 D2. How old are you?
- Table D3 D3. What was your 2019 total household income, before taxes?
- Table D4 D4. What is your current employment status?
- Table D5 D5. How much was your most recent annual property tax bill?
- Table D6 D6. Do you identify as a person with disabilities?
- Table D7 D7. Do you identify as Acadian or Francophone?
- Table D8 D8. What is your ethnic identity?

Q1. What area of HRM do you live in?
