Subject: Amendment to By-Law N-300 Respecting Nuisances and Smoking		
Motion for Council to Consider: That Halifax Regional Council direct the Chief Administrative Officer (CAO) to provide a staff report on amending By-law (N-300) Respecting Nuisances and Smoking to add a clause that exterior lighting shall not be directed towards abutting lots or streets. Reason: With increasing complaints from residents regarding neighbouring properties shining exterior lights onto their own properties, this is a source of irritation and nuisance in many residential areas. As well, the municipality has been working towards addressing light pollution. Outcome Sought: amendment to By-law (N-300) Respecting Nuisances and Smoking to add a clause that exterior lighting shall not be directed towards abutting lots or streets.
