Alderney Ferry Reduced to ½ hour Frequency Beginning September 14, 2009

Beginning Monday, September 14, 2009, the Alderney ferry service will be temporarily reduced to one vessel and will operate on 1/2 hour frequency.

The Alderney ferry will leave the Dartmouth Terminal at its regular scheduled time of 6:30 am, with crossings every ½ hour. The Halifax ferry will leave the Halifax Terminal at its regular scheduled time of 6:45 am, with ½ hour crossings on the quarter hour.

It is anticipated that the vessel will remain out of service for several weeks, due to scheduled maintenance as required by Transport Canada.

The Woodside Ferry will continue operation of its regular schedule.
