Metro Transit Service Delays & Re-routing during the Royal Tour

From Monday, June 28 to Wednesday, June 30, Metro Transit passengers can expect unscheduled service delays and re-routing to accommodate the Royal Tour by Her Majesty The Queen and His Royal Highness The Duke of Edinburgh.

Ferry Service

On Tuesday, June 29, ferry service from both the Alderney and Woodside Terminals will travel as scheduled, but may need to alter its regular course while travelling in the harbour, or be held at the dock, which may cause unplanned service delays.

Bus Service & Re-routings

From June 28 – 30, conventional bus services may experience schedule delays and re-routing as a result of temporary street and bridge closures.

For more information on temporary street and bridge closures, please visit <http://gov.ns.ca/news/details.asp?id=20100623013>
