South End Halifax Construction (Fresh Water Brook Project Phase II)

Beginning on Thursday, May 13, 2010, a portion of South St., east of South Park, will be closed, affecting transit routes #7 and #41.

South St. eastbound up to South Park St. will be open, allowing left and right hand turns at the intersection, and South Park St., both north and southbound, will remain open.

Transit routes #10, #14, #17 and #18 will return to regular routing.

Passengers are advised to expect minor service delays and detours on the following routes:

Route #7 Gottingen to Robie

> Via South, onto Queen, to Morris, to South Park, to South, to resume regular routing

Route #7 Robie to Gottingen

> Via Robie, onto South, to South Park, onto Morris, to Queen, to South St, to resume regular routing

Route #41 Dalhousie to Dartmouth

> Via South, to South Park, onto Morris, to Queen, to South, to resume regular routing

Route #41 Dartmouth to Dalhousie

> Via South, to Queen, onto Morris, to South Park, to South, to resume regular routing

Construction is expected to be completed on May 21, '10.
