South End Halifax Construction (Fresh Water Brook Project Phase I)

Due to ongoing construction projects, beginning Monday, May 3, from 7am to 6pm, Metro Transit would like to advise its passengers to expect minor service delays and detours on the following routes:

Route #7 Gottingen to Robie

South to Queen, to Morris, onto University, to Robie, to resume regular routing

Route #7 Robie to Gottingen

Robie to University, to Morris, onto Queen, to South, to resume regular routing

Route #10 to Dalhousie

Spring Garden to Robie, to Inglis/Beaufort, to resume regular routing

Route #10 to Westphal

No detour required

Route #14 to Mumford/Leiblin Park

Spring Garden to Robie, to South St, to resume regular routing

Route #14 to Downtown

No detour required

Route #17 & #18 - Universities

Robie to Inglis, Inglis to South Park, to Spring Garden, to Robie, to resume regular routing

Route #41 - Dalhousie

South, to Queen, to Morris, onto University, to Robie to resume regular routing

Route # 41 - Dalhousie

Robie, to University, to Queen, onto south, to resume regular routing

With the exception of northbound traffic on South Park St, routes #7 and #41 will not have access eastbound or westbound along South St through the intersection of South Park St.

Routes #10, #14, #17 and #18 will not have access southbound along South Park St between Morris St and Fenwick St.

Construction is expected to be completed on May 12, 2010.
