

20th Annual Stuff-A-Bus Food Drive Campaign

Metro Transit and ATU Local 508 are celebrating the 20th year of supporting Feed Nova Scotia through their Christmas food drive campaign.

This year the event will take place on Friday, December 3rd, beginning at the C100 studio on Agricola Street.

Over 70 HRM daycares, schools, and businesses participate in the Stuff A Bus Food Drive.

An astonishing 100,000 kg's of food and \$30,000 in monetary donations have been raised since its launch two decades ago.

Feed NS accepts all food, but the items below are especially helpful:

- canned vegetables, fruit, meat and fish
- flour and sugar
- pasta
- peanut butter
- baked beans
- canned or powdered milk
- soups and stews
- breakfast cereal
- fresh produce
- fresh or frozen vegetables and meats

In its 20th year, let us make it the best ever!
