HERITAGE PROPERTY PROGRAM

Heritage Grants for Owners of PROVINCIAL Heritage Properties 2008-09

The Heritage Division's Heritage Property Program administers various financial grants to encourage the conservation of privately owned registered heritage properties in Nova Scotia. The goal of the heritage grants program is to maintain the unique heritage value of each property by using the *Standards and Guidelines for the Conservation of Historic Places in Canada* as a tool to aid in proper conservation. Heritage grants are offered for Conservation Work, Conservation Advice and a Materials and Labour Grant. For more information on this program, please call 902-424-5647.

In addition, the Department of Service Nova Scotia and Municipal Relations also offers a Provincial Tax Rebate (under the Sales Tax Act). This program provides heritage property owners a full rebate of the provincial sales tax paid for materials used on the exterior of the building.
