

Ball Diamond - General Maintenance

Do's and Don't List for Clients

Using HRM Facilities

GROOMING OF INFIELDS:

- < Hand Tools Only (ie Rakes, Shovels. Tampers)
- < No removing of infield material or 'channelling' of water
- < No sawdust
- < No gasoline/fire
- < No licensed/private vehicles permitted on infields for dragging purposes; Only ATV type vehicles or smaller.

Field Lighting:

- < No access to electrical panel(s)
- < No changing of light timers
- < Client must ensure that lights are turned off prior to leaving the facility

In General:

- < No grass cutting
- < No removal of what is considered to be 'permanent infrastructure' from the fields (ie bases, pegs, home plates, pitching rubbers). **Groups may be fined.**
- < The use of temporary pitching rubbers is permitted; request through the Scheduling Office and sign out (***deposit required; in the event of loss or damage, the client may be charged any costs to replace***)
- < Clients to ensure the site, including dugouts, is cleaned up of all litter, etc after use.
- < Signing out of light/washroom keys through the Scheduling Office are the responsibility of the client
- < Use 490-4000 and contact HRM's Corporate Call Centre to report any field related concerns
