Meagher's Grant Community Hall

4413 Highway 357

The Meagher's Grant Community Hall is an HRM owned facility operated by a volunteer board. Once a volunteer fire department, the hall portion of the building has been turned over to the community to manage while the fire bays are still used by HRM Fire Services.

The hall is located in the heart of Meagher's Grant and is one of the largest community halls in the Musquodoboit Valley area and is ideal for weddings, licensed social events, fund-raisers and recreation classes.

A new board was created in April 2009 which has brought lots of energy and life back into the space with dances, youth programs, recreation classes and community events planned for 2010.

Spring/Summer 2010 Highlights:

- Youth Nights
- Adult Dances
- Canada Day Event
- Recreation Programs
- Monthly Bingo
- Weekly Card Parties
