

## A Questionnaire on the Future of Halifax Harbour

Please take a few moments to respond to the following questions. Help us determine how Halifax Harbour should develop over the next 25 years.

### Economic Growth

Halifax Harbour is a world class seaport and vital economic driver of our economy. Container shipping, ship building, off-shore oil and gas supply facilities, cruise ship industry and our Navy and Coast Guard contribute millions of dollars to our economy and generate thousands of jobs.

1. Should we continue to promote Halifax Harbour as a global seaport?
