What is the Vision Implementation Committee?

The Vision Implementation Committee (VIC) is a group of volunteers who coordinate the implementation of the Vision and Action plan for the Bedford Waterfront.

How often does this group meet?

Typically the Vision Implementation Committee anticipates meeting every 2 months (2 hour meetings).

What happens at these meetings?

These meetings act as “update” meetings. It is a chance to learn how some of the vision action plans are being implemented, give feedback, and start new projects.

What are ‘Task Groups’?

They are they are groups of VIC members organized by interest, who work on specific elements of the vision action plans. For example, the Transit and Transportation Task Group works on elements of the Vision relating to transportation. The need for Task Groups and their specialty flows from the Implementation Strategy.

How often do Task Groups meet?

These groups are subject-specific, and they meet according to need. For example, they may be asked to review proposed or existing policy or regulation as it relates to their subject area, on a deadline set by the VIC.

How can I get involved?

Fill out the application form (above) and e-mail it to visionhrm@halifax.ca or mail it to the address on the other side of this page.
