

# The Middle-Upper Sackville & Lucasville Visioning Project

## Needs You to

### HELP US HELP YOU!

- ➔ What should the Community of Middle-Upper Sackville & Lucasville look like, and be like 10-20 years into the future?
- ➔ What can you tell us about the history of the Middle Sackville, Upper Sackville and Lucasville?
- ➔ If you could make any improvements to this area, what would they be?

### Tell us your ideas!

#### Tell us what is **special** and **wonderful** about our area!

We are "Community Visioning" and our job is to gather your ideas and turn them into a Vision for this area. The Vision will then be put into reality through a variety of ways.

We want to come meet with the community groups of Middle Sackville, Upper Sackville and Lucasville personally to talk about your ideas and knowledge.

We meet most Tuesday evenings from 7 to 9 pm at the Harry R. Hamilton School library, 40 Hamilton Drive, Middle Sackville. Please contact us if would like to attend.

Please contact us with any comments at [msclg@eastlink.ca](mailto:msclg@eastlink.ca) or visit us online at <http://www.halifax.ca/visionhrm/>
