For meeting

In your Tool Kits you will find the Final Vision and Action Plans for Musquodoboit Harbour, Fall River and Bedford Waterfront. Please review those and the package that was distributed last meeting (the Focused Workshop results). We will be taking all that information and start to draft our Vision Plan and Action Plan.

Dinner will be provided—vegetarian lasagna, cooked by my wife, and I believe someone offered to bring a salad. I will also bring desserts (not cooked by my wife or I).
