

COUNCILLOR LORELEI NICOLL DISTRICT 4 ENGAGING COLE HARBOUR

DEAR RESIDENTS

While our summers seem so short, we try to hold on to it for as long as possible. That was my thinking in creating the Cole Harbour Harvest Festival as one more 'Hoorah' before everyone gets busy with schedules that come with school, university, work, etc.

As a resident myself involved in many aspects of building community over the past 30 years through the volunteer sector, I saw the need to grow community spirit with an annual celebration. It took a few years of gaining support from those who shared my vision, but eventually I had enough helpers and corporate sponsorship to make it happen.

The Cole Harbour Harvest Festival will be held September 8th for its 11th year and it's a proud moment for me and those involved to see everyone coming together as a community to celebrate. It is also fitting that it is held in a central location like Cole Harbour Place and to recognize it is operated by a volunteer board of directors as well.

The festival represents the community spirit that exists year-round in all we do as residents. From volunteering in fire services, trail management, school programs, park and beach amenities, museums, arts, culture, etc., and especially from our local business sector who provide funding to put on such a large undertaking.

As your municipal councillor, I want to acknowledge all those who contribute to our strong community spirit by giving tirelessly to provide volunteer hours to keep this spirit alive.
