### Item No. 12.1.3 Audit & Finance Standing Committee June 15, 2016

то:	Chair and Members of Audit-& Finance Standing Committee
SUBMITTED BY:	Original Signed
	John Traves, Q.C., Acting Chief Administrative Officer Original Signed
Sec. 1	Amanda Whitewood, Director of Finance and Information Technology/CFO
DATE:	June 8, 2016
SUBJECT:	Year End Financial Statements

### **ORIGIN**

Required by Legislation.

### **LEGISLATIVE AUTHORITY**

HRM Charter, section 48(2) outlines the responsibilities of the Audit Committee which include:

48(2)(a) - a detailed review of the financial statements of the Municipality with the Auditor; 48(2)(b) - an evaluation of internal controls systems and any management letter with the Auditor; and,<math>48(2)(c) - a review of the conduct and adequacy of the audit.

In addition, HRM Charter, section 46 outlines the appointment and requirements of the Municipal Auditor and the need to file the Auditor's report with Council and the Minister by July 31, 2016.

The Audit and Finance Standing Committee under its Terms of Reference shall" "review the qualification, independence, quality of service and performance of the External Auditors annually and recommend to the Council the appointment or discharge of the External Auditors".

Halifax Regional Municipality Council approved, December 11, 2012, that all budget increases are to be presented to the Audit & Finance Standing Committee, prior to submission to Council.

HRM Charter, section 120(6) – The Municipality may maintain other reserve funds for such purposes as the Council may determine; Reserve Administrative Order 2014-015 (5) The Audit and Finance Standing Committee shall review and recommend to the Council for its consideration all impacts to the Reserves.

The attachments included are necessary for the Audit and Finance Standing Committee and the Municipal Auditor to satisfy their responsibilities and requirements.

Recommendation on page 2

#### \_\_\_\_

#### RECOMMENDATION

It is recommended that the Audit and Finance Standing Committee forward the following to Halifax Regional Council for their approval:

-2-

- 1) The financial statements of the Halifax Regional Municipality Miscellaneous Trust Funds for the year ended March 31, 2016;
- 2) The Consolidated Financial Statements of the Halifax Regional Municipality for the year ended March 31, 2016;
- 3) The Statement of General Rate Surplus of the Halifax Regional Municipality for the year ended March 31, 2016; and,
- 4) Transfers of \$5,430,627, as outlined below, to reduce the general rate surplus to zero:

<ul> <li>Capital Project CTU00530, Mo</li> </ul>	unt Hope Interchange \$4	.234.678
<ul> <li>Police Officer On the Job Injury</li> </ul>	reserve, Q323 \$	50,000
<ul> <li>Capital Surplus reserve, Q103</li> </ul>		214.000
<ul> <li>Operating Surplus reserve, Q3</li> </ul>	28 \$	931,949

5) The appointment of KPMG to be the External Auditors for the fiscal year ended March 31, 2017.

### BACKGROUND

On March 22, 2016, a report regarding CCC Funding Shortfall for the Mount Hope Interchange Highway was presented to Council with recommendation approved to 1) change the funding source for the outstanding \$7,234,678 for Project Number CTU00530 Highway 111 Portland St. Interchange from Capital Cost Contribution funding to the following: \$3,000,000 from the Operating Surplus Reserve Q328 and the remainder of \$4,234,678 from debt; and, 2) authorize Finance to seek approval from the Minister of Transportation and Infrastructure Renewal to fund this project from debt, as it is a provincially owned street.

The Financial Implications section stated that that if we finished the year-end with a surplus, those funds would be available to reduce the funding shortfall and reduce our need to utilize debt financing for the project.

With the surplus of \$5,430,627, we were able to cover the full amount of the debt funded portion of the project. The remaining \$3,000,000 was funded through the Operating Surplus Reserve, Q328, and the project is now fully funded. As we funded this \$4,234,678 from our operating surplus instead of debt, there is no requirement to complete recommendation 2 of the March 22, 2016 report.

The Statement of General Rate Surplus outlines the total 2015/16 surplus and planned transfers of the surplus to a capital project and to various reserves to bring our general rate surplus to zero.

The table below provides additional details of the Operating Surplus Reserve, Q328. In the report to Audit & Finance on March 11, 2016 concerning the funding of the Mount Hope Interchange, we had projected a year-end balance in the reserve of \$393,000. The main change since then has been the addition of the operating surplus for 2015/16 of \$932,000.

### Appointment of External Auditors

Under the terms of reference of the Audit and Finance Standing Committee, the Committee is required to "review the qualifications, independence, quality of service and performance of the External Auditors annually and recommend to the Council the appointment or discharge of the External Auditors".

KPMG LLP was the successful proponent to the RFP for External Audit Services in 2012. The proposal covered the fiscal years from 2012/13 to 2016/17. KPMG LLP continues to provide quality service to the Municipality and has confirmed that they are qualified and independent to continue to provide External Audit Services. Staff have recommended that KPMG LLP be appointed as External Auditors for the fiscal year ended March 31, 2017.

### **DISCUSSION**

A detailed presentation will be provided at the meeting.

### FINANCIAL IMPLICATIONS

Outlined in the presentation and attached reports.

### **RISK CONSIDERATION**

#### Management's Responsibility for the Consolidated Financial Statements

The management of the Halifax Regional Municipality (the "Municipality") is responsible for the integrity, objectivity and accuracy of the financial information presented in the accompanying financial statements.

The consolidated financial statements have been prepared in accordance with Canadian Public Sector Accounting Standards established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada ("CPA"). A summary of the significant accounting policies is described in Note 1 to the consolidated financial statements.

The Municipality's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by management.

The Audit and Finance Standing Committee meets with management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the consolidated financial statements.

The consolidated financial statements have been audited by KPMG LLP, independent external auditors appointed by the Municipality. The accompanying Independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the Municipality's consolidated financial statements.

John Traves, Q.C. Acting Chief Administrative Officer Amanda Whitewood, FCPA, FCMA, C.Dir., CHE Director, Chief Financial Officer Finance and Information, Communication and Technology

Notes to Consolidated Financial Statements

Year ended March 31, 2016 (In thousands of dollars)

### 1. Significant accounting policies:

#### (a) Basis of presentation:

The consolidated financial statements of the Halifax Regional Municipality (the "Municipality") have been prepared by management in accordance with Canadian public sector accounting standards.

(b) Basis of consolidation:

These consolidated financial statements reflect the assets, liabilities, revenues and expenses of the Municipality. The Municipality is comprised of all organizations, committees and local boards accountable for the administration of their financial affairs and resources to the Municipality and which are owned or controlled by the Municipality, except the Halifax Regional Water Commission which is accounted for on the modified equity basis of accounting. The entities included are as follows:

#### Recreation facilities:

BMO Centre Canada Games Centre Centennial Pool Association Community Builders Inc. (Cole Harbour Place) Dartmouth Sportsplex Community Association Eastern Shore Recreation Commission Halifax Forum Community Association Scotiabank Centre Halifax Regional Municipality Centennial Arena Commission Sackville Sports Stadium St. Margaret's Community Centre Association Commissions, cultural and other facilities: Alderney Landing Association Downtown Dartmouth Business Commission Downtown Halifax Business Commission

Downtown mailiax business Commission

Main Street Dartmouth and Area Business Improvement Association

MetroPark Parkade Facility

North End Business Association

Quinpool Road Mainstreet District Association Limited

Sackville Business Association

Spring Garden Area Business Association

Spryfield & District Business Commission

#### Halifax Regional Library

Interdepartmental and inter-organizational transactions and balances between these entities and organizations have been eliminated.

Notes to Consolidated Financial Statements

Year ended March 31, 2016 (In thousands of dollars)

#### 1. Significant accounting policies (continued):

(c) Investment in the Halifax Regional Water Commission:

The Halifax Regional Water Commission (the "HRWC") is a corporate body without share capital and is accounted for using the modified equity basis of accounting; consistent with public sector accounting standards, as recommended by PSAB for an investment in a government business enterprise. Under the modified equity basis of accounting, the HRWC's accounting principles are not adjusted to conform to those of the Municipality and inter-organizational transactions and balances are not eliminated.

The Municipality recognizes its equity interest in the annual net income or loss of the HRWC in its consolidated statement of operations with a corresponding increase or decrease in its investment account.

(d) Basis of accounting:

Revenues and expenses are recorded on the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they are earned and measurable and expenses are recognized as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.

(e) Use of estimates:

The preparation of consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenue and expenses during the period. Significant estimates include assumptions used in estimating provisions for accrued liabilities, landfill liability, contaminated sites liability and in performing actuarial valuations of employee future benefits. These estimates and assumptions are based on the Municipality's best judgement and may differ significantly from actual results.

(f) Taxation and related revenues:

Property tax billings are prepared by the Municipality based on assessment rolls issued by the Property Valuation Services Corporation. Tax rates are established annually by Council, incorporating amounts to be raised for local services and the requisition made by the Province of Nova Scotia in respect of contributions to education. Taxation revenues are recorded at the time tax billings are due. Assessments and the related property taxes are subject to appeal. Tax adjustments as a result of appeals are recorded when the results of the appeal process are known. An allowance for unresolved assessment appeals is also provided.

(g) User fees and charges:

User fees relate to transit fees, fees for various programs and fees imposed on specific activities. Revenue is recognized when the activity is performed or when the service has been rendered.

(h) Government transfers:

Government transfers are recognized in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be made, except when and to the extent that stipulations associated with the transfer give rise to a liability. If a liability is created, the satisfaction of the transfer stipulations by the recipient government determines the timing of the recognition of the transfer as revenue.

(i) Short-term deposits and investments: Short-term deposits and investments are recorded at cost, adjusted for amortization of premiums or discounts in accordance with the investment policies established for the Municipality. A permanent decline in value would result in a write-down to recognize the loss and be included in the statement of operations.

Notes to Consolidated Financial Statements

Year ended March 31, 2016 (In thousands of dollars)

### 1. Significant accounting policies (continued):

(j) Land held for resale:

Land held for resale is recorded at the lower of cost or net realizable value. Cost includes amounts for improvements to prepare the land for sale or servicing.

(k) Contaminated sites:

The Municipality accrues a liability to estimate the cost to remediate contaminated sites to the level necessary to allow the property to meet the environmental standard appropriate to its current use or status. The liability is based on estimates and assumptions using the best information available to management.

(I) Deferred revenue:

Deferred revenue represents taxes, user charges and other fees that have been collected, for which the related services have yet to be performed. These amounts will be recognized as revenue in the period the services are performed.

(m) Pension, post-employment benefits and compensated absences:

The contributions to a multi-employer, defined benefit pension plan are expensed when contributions are due. The costs of post-employment benefits are recognized when the event that obligates the Municipality occurs. Costs include projected future income payments and fees paid to independent administrators of these plans, calculated on a present value basis.

The costs of post-employment benefits and compensated absences are actuarially determined using the projected benefits method prorated on service and management's best estimate of retirement ages of employees, salary escalation and expected absences. Liabilities are actuarially determined using discount rates that are consistent with the market rates of high quality debt instruments. Any gains or losses from changes in assumptions or experience are amortized over the estimated average remaining service life ("EARSL") for the related employee group.

(n) Solid waste management facilities liabilities:

The Municipality accrues landfill closure and post-closure care requirements that include final covering and landscaping of the landfill, pumping of ground water and leachates from the site, and ongoing environmental monitoring, site inspection and maintenance. The reported liability is based on estimates and assumptions using the best information available to management.

Future events may result in significant changes to the estimated total expenses, capacity used or total capacity and the estimated liability, and would be recognized prospectively, as a change in estimate, when applicable.

(o) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

i) Tangible capital assets

Tangible capital assets are recorded at historical cost or estimated historical cost, based on appraisals or other acceptable methods where historical cost was not available, which includes amounts that are directly attributable to the acquisition, construction, development or betterment of the asset. The cost of normal maintenance and repairs which do not add value to the asset or materially extend the useful life of the asset are not capitalized. The cost, less residual value of the tangible capital assets, are amortized on a straight line basis over their estimated useful lives as follows:

Notes to Consolidated Financial Statements

Year ended March 31, 2016 (In thousands of dollars)

#### 1. Significant accounting policies (continued):

(o) (i) Tangible capital assets (continued):

Useful Life – Years
10 - 50
15 - 40
5 - 15
5 - 10
40
5 - 75
2 - 30

The useful life for landfill cells, which are included in land improvements, is based upon the capacity of each cell.

Leasehold improvements are amortized over the shorter of the term of the lease (including one renewal period, if provided for) or the useful life of the asset.

For assets with a useful life of 5 years or less, amortization will commence in the year the asset is available for use, and be recorded at 50% of the annual charge in the first and last years of the asset's useful life. For assets with a useful life greater than 5 years, amortization will commence in the year following the year the asset is put into use.

Roads and infrastructure includes road beds, road surfaces, infrastructure and bridges. The useful life of these assets are as follows: road beds - 40 years, road surfaces - 5 to 20 years, infrastructure - 20 to 30 years and bridges - 75 years.

The school buildings which are owned by the Municipality but in use by the Halifax Regional School Board are not recorded as tangible capital assets. No amortization is recorded by the Municipality as long as the buildings are in use by and under the control of the Halifax Regional School Board.

- Contributions of tangible capital assets Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and are also recorded as revenue.
- iii) Natural resources

Natural resources that have not been purchased are not recognized as assets.

iv) Works of art and cultural and historic assets

Works of art and cultural and historic assets are not recorded as assets, unless used in the provision of a municipal service.

v) Interest capitalization

The Municipality does not capitalize interest costs associated with the acquisition or construction of a tangible capital asset.

vi) Leased tangible capital assets

Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

Notes to Consolidated Financial Statements

Year ended March 31, 2016 (In thousands of dollars)

### 1. Significant accounting policies (continued):

- (p) Inventories of Supplies: Inventories of supplies held for consumption are recorded at the lower cost or replacement cost.
- (q) Expenses:

Expenses are recognized in the year the events giving rise to the event occurs and there is a legal or constructive obligation to pay.

(r) School boards:

The assets, liabilities, taxation and other revenues and expenses with respect to the operations of the school boards are not reflected in the consolidated financial statements as they are provincial government entities.

(s) Miscellaneous Trust Funds:

Miscellaneous Trust Funds and their related operations administered by the Municipality are not included in the consolidated financial statements, but are reported separately in the Miscellaneous Trust Funds financial statements.

(t) Funds and Reserves:

Certain amounts, as approved by Council, are set aside in accumulated surplus for future operating and capital purposes. Transfers to/from funds and reserves are an adjustment to the respective fund when approved.

2. Cash and short-term deposits:

	 2016	2015
Halifax Regional Municipality Recreation facilities, commissions, cultural and other facilities	\$ 227,625	\$ 188,999

Money market instruments include Federal and Provincial treasury bills, discounted notes of Federal Crown Corporations and instruments of Canadian Financial Institutions. These investments have a term to maturity of one year or less. Investments shown here have a remaining term to maturity of more than 90 days at March 31, 2016.

Bonds of Federal and Provincial governments and their guarantees have a maturity range from May 27, 2016 to December 18, 2018. The weighted average yield on market value of these bonds is 0.89% at March 31, 2016 (2015 - 0.88%).

	 Cost	2016 Market value	Cost	2015 Market value
Money market instruments	\$ 41,534	\$ 41,593	\$ 55,086	\$ 55,221
Bonds of Federal and Provincial governments and their guarantees	14,035	14,376	17,051	17,601
Total	\$ 55,569	\$ 55,969	\$ 72,137	\$ 72,822

The investment income earned on money market instruments is \$3,176 (2015 - \$3,828) and on bonds of Federal and Provincial governments and their guarantees is \$328 (2015 - \$490).

### 6. Investment in the Halifax Regional Water Commission:

The HRWC is a government business enterprise of the Municipality and is responsible for the supply of municipal water, wastewater and stormwater services to residents of the Municipality. HRWC formerly reported under the Nova Scotia Accounting and Reporting Handbook for Water Utilities ("Handbook") and was permitted the use of Part V of the CPA Handbook. On April 1, 2015 the HRWC was required to transition to International Financial Reporting Standards ("IFRS"). The HRWC was required to adopt the amounts retrospectively which affected their statement of financial position and statements of earnings and comprehensive income and cash flows. The Municipality has presented the comparative information as if the HRWC had previously reported under IFRS and has provided a reconciliation of the previously reported information based on the transitional adjustments required by the HRWC.

(a) The impact of cumulative transitional adjustments of the Municipalities opening net financial assets and accumulated surplus are as follows:

#### Accumulated surplus at April 1, 2014

Accumulated surplus, as previously reported		\$ 2,567,000
Transition adjustment upon adoption of IFRS by Halifax Regional		
Water Commission at April 1, 2014		(686,151)
Accumulated surplus, as restated		\$ 1,880,849
Net financial assets at April 1, 2014	46) (t	
Net financial assets, as previously reported		\$ 774,011
Transition adjustment upon adoption of IFRS by Halifax Regional		
Water Commission at April 1, 2014		(686,151)
Net financial assets, as restated		\$ 87,860

Accrued liabilities	53,934	51,024
Accrued interest	2,455	2,638
Total	\$ 112,079 \$	105,764

### 8. Employee future benefits - employees' retirement pension plan:

Employees of the Municipality participate in the Halifax Regional Municipality Pension Plan (the "HRM Plan"). The HRM Plan is a multi-employer plan administered by the Halifax Regional Municipality Pension Committee (the "Committee"). Other employers participating in the HRM Plan include the Halifax Regional School Board and Quest. The Committee is comprised of representatives from both management and unions, and is responsible for setting contribution rates for all participating employers. The HRM Plan is funded equally by participating employers and members. Accounting for the HRM Plan under the Municipality's consolidated financial statements follows rules for defined contribution pension plans.

The HRM Plan provides a lifetime benefit representing 2% of the member's highest average earnings over a period of three years times the number of years of credited service in the pension plan. Only regular earnings are recognized under the defined benefit provisions of the HRM Plan. The HRM Plan also provides defined contribution benefits, at the option of the member, on the portion of earnings that is overtime and other non-regular earnings.

The Municipality contributed to the HRM Plan an amount of \$30,549 for the year ending March 31, 2016 (2015 - \$29,785). Since January 1, 2016, the Municipality and the members are each contributing 12.21% of regular earnings for members participating in the main division of the pension plan. Other contribution rates are in effect for the other divisions of the plan, and for members in public safety occupations.

The last actuarial valuation filed with regulators was at December 31, 2014. The next actuarial valuation, at December 31, 2015, is to be filed by September 30, 2016. The interest rate used in the last filed valuation was 6.55% per year. The following estimates as at December 31, 2015 are based on the actuarial valuation as at December 31, 2014 extrapolated to December 31, 2015 and is based on a best estimate discount rate assumption of 7.25% per annum (2014 - 7.25%).

	2	Extrap	2016 polated	2015 Extrapolated
Actuarial value of plan assets Estimated present value of accrued pension benefits	25		15,696 \$ 52,494)	1,401,480 (1,454,270)
Estimated funding deficit	0	\$ (3	36,798) \$	(52,790)

Notes to Consolidated Financial Statements

Year ended March 31, 2016 (In thousands of dollars)

### 9. Employee future benefits - retiring allowances and other future benefits:

The Municipality provides for the payment of retiring allowances to retiring employees in accordance with the terms of the various collective agreements and Municipal policy. The retiring allowance is based on the member's final annual salary and years of service at retirement. On the retirement of a police officer, the Municipality also provides for a lump sum payment to a health trust for the benefit of the retiring member. The amount depends on the level of the officer's sick bank at the time of retirement.

The Municipality continues to pay for its share of the contributions to the HRM Plan for members in receipt of benefits from a long-term disability plan sponsored and recognized by the Municipality.

The Municipality also provides for employee sick leave. Unused sick leave accumulates to a maximum number of hours which varies by employment agreement. Under this program, employees are not entitled to a cash payment in lieu of sick leave when they leave the Municipality's employment except as described above with respect to the retirement of a police officer.

The Municipality also pays lifetime and temporary benefits to former employees who retired from the Municipality under various early retirement programs and arrangements that were in place prior to April 1, 2004.

Actuarial valuations of the above benefits are done for accounting purposes using the projected benefit method prorated on services. The last actuarial valuation of the unused sick leave benefits was conducted as at March 31, 2015. The last actuarial valuation of the police health trust benefits was conducted as at March 31, 2014. For all other benefits, actuarial valuations were conducted as at March 31, 2016. Key actuarial assumptions used in the valuations were based on the Municipality's best estimates.

A reconciliation of the accrued benefit obligation for these plans, along with the main assumptions used for disclosure and expense calculations are as follows:

			2016	3	2015
Accrued benefit obligation, beginning of year		\$	60,844	\$	53,383
Current period benefit cost			4,445		4,592
Benefit payments			(5,892)		(4,206)
Interest cost			1,918		1,936
Actuarial loss			904		5,139
Accrued benefit obligation, end of year	×	\$	62,219	\$	60,844
Main assumptions used for fiscal year-end disclosure					
Discount rate			2.89%		3.19%
Salary increase		3%	6 plus_merit	3%	6 plus merit
Main assumptions used for expense calculation					
Discount rate			3.19%		3.61%
Salary increase	<u>e</u> .	3%	6 plus merit	3%	6 plus merit

Notes to Consolidated Financial Statements

Year ended March 31, 2016 (In thousands of dollars)

### 9. Employee future benefits - retiring allowances and other future benefits (continued):

These other employee benefit plans require no contributions from employees. The benefit liability as at March 31, 2016 is estimated to include the following components:

		2016	2015
Accrued benefit obligation			
Retiring allowances	\$	30,458 \$	29,929
Sick leave		18,078	17,924
HRM pension contributions for employees on long term disability		5,083	4,344
Police Health Trust		2,057	2,021
Other		6,543	6,626
		62,219	60,844
Unamortized actuarial loss		(8,324)	(8,440)
Benefit liability	\$	53,895 \$	52,404

The unamortized actuarial losses will be amortized over the EARSL of the related employee groups starting in the next fiscal year. EARSL is determined separately for each benefit program.

The total expense related to other employee benefits described above includes the following components:

		2016	2015
Current period benefit cost	\$	4,445 \$	4,592
Amortization of actuarial loss		1,020	425
Other employee benefit expense		5,465	5,017
Other employee benefit interest expense		1,918	1,936
Total expense related to other employee benefit plans	S	7.383 \$	6,953
		.,	3,000

Notes to Consolidated Financial Statements

Year ended March 31, 2016 (In thousands of dollars)

#### 10. Solid waste management facilities liabilities:

The Nova Scotia Environmental Protection Act (the "Act") sets out the regulatory requirements for the closure and maintenance of landfill sites. Under this Act, the Municipality is required to provide for closure and post closure care of solid waste landfill sites.

The estimated liability for the care of the landfill sites is the present value of future cash flows associated with closure and post closure costs discounted using a long-term borrowing rate of 2.43% (2015 - 2.73%) and a forecasted inflation rate of 1.36% (2015 - 1.20%).

Sackville Landfill:

The Sackville Landfill site closed during the year ended March 31, 1997. A closure plan and an environmental audit were completed in 1996. Post closure care activities for this site include perpetual care that is expected to occur until 2017 and will involve the management and monitoring of groundwater, gas and leachate levels, operating and monitoring the leachate treatment plant when necessary, removal of buildings, site cleanup and general site maintenance. This continuous monitoring of the site is anticipated to be ongoing basis. A reserve has been set up to fund the liability until 2017, after which funding will be done through the operating fund.

Otter Lake Landfill:

The Otter Lake Landfill site opened during the year ended March 31, 1999 and is expected to accept waste for another 20 years, until the fiscal year ended March 31, 2036.

The site's design consists of nine cell phases with an expected total capacity of 5,200,000 tonnes (2015 - 4,244,000 tonnes).

A reserve has been established to fund the post closure care activities for this site to 2056 which include perpetual care and will involve the management and monitoring of groundwater, gas and leachate levels, operating and monitoring the leachate treatment plant when necessary, removal of buildings, site cleanup and general site maintenance.

The liability was adjusted for capacity used of 100% for the closed cells and 81.94% (2015 - 62.89%) of Cell 6.

Mengoni Landfill:

The Mengoni Landfill site closed during the year ended March 31, 2008. A closure plan and an environmental audit were completed in 2008. Post closure care activities for this site include perpetual care that is expected to occur until 2029 and will involve the management and monitoring of groundwater, gas and leachate levels, operating and monitoring the leachate treatment plant when necessary, removal of buildings, site cleanup and general site maintenance.

### 14. Tangible capital assets (continued):

- (a) Assets under construction: Assets under construction having a value of \$36,705 (2015 - \$28,679) have not been amortized. Amortization of these assets will commence when the asset is available for productive use.
- (b) Contributed tangible capital assets: Contributed tangible capital assets have been recognized at the fair market value at the date of contribution. The value of contributed assets received during the year is \$12,744 (2015 - \$8,773) and is comprised of roads and infrastructure in the amount of \$12,610 (2015 - \$8,234) and land and land improvements having a value of \$134 (2015 - \$539).
- (c) Tangible capital assets disclosed at nominal values: Where an estimate of fair value could not be made, the tangible capital asset was recognized at a nominal value. Land is the only category where nominal values were assigned.
- (d) Works of art and cultural and historical assets: The Municipality manages and controls various works of art and non-operational cultural and historical assets including buildings, artifacts, paintings and sculptures located at Municipal sites and public display areas. These assets are not recorded as tangible capital assets and are not amortized.
- (e) Impairment of tangible capital assets: The impairment of tangible capital assets during the year was \$12 (2015 - \$nil).
- (f) Roads and infrastructure: Roads and infrastructure at March 31, 2016 have a net book value of \$948,642 (2015 - \$960,092) and are comprised of: road beds - \$283,267 (2015 - \$290,040), road surfaces - \$318,562 (2015 - \$334,209), infrastructure - \$333,896 (2015 - \$324,406) and bridges - \$12,917 (2015 - \$11,437).

otal accumulated surplus	5 1,956,437	\$ 1,894,519

Notes to Consolidated Financial Statements

Year ended March 31, 2016 (In thousands of dollars)

### 16. Contingent liabilities:

- (a) As of March 31, 2016, there are a number of claims against the Municipality and its consolidated entities in varying amounts and for which provisions have been made in these consolidated financial statements, as appropriate. It is not possible to determine the amounts that may ultimately be assessed against the Municipality with respect to these claims, but management believes that any such amounts would not have a material impact on the financial position of the Municipality.
- (b) The Municipality is the plaintiff in various proceedings, which have arisen, in the normal course of carrying on its operations. It is not possible at this time to determine the amounts the Municipality may receive with respect to these claims.
- (c) In September 2014, Council approved a blanket guarantee for HRWC debt subject to HRWC maintaining a debt service ratio of 35% or less. The debt service ratio is currently 22.0% at March 31, 2016 (2015 20.9%). As at March 31, 2016, total outstanding debt is \$240,145 (2015 \$106,700), with maturity dates ranging from 2016 to 2025. The Municipality is responsible for outstanding debt of \$58,762 (2015 \$65,666) recoverable from the HRWC.

### 17. Financial instruments:

(a) Fair value:

The fair value of the Municipality's financial instruments that are comprised of cash and short-term deposits, taxes receivable, accounts receivable, loans, deposits and advances and accounts payable and accrued liabilities approximate their carrying value due to their short-term nature and are measured at cost or amortized cost in the statement of financial position.

The fair value of investments is considered to be market value. The market value of investments is disclosed in note 5.

It is not practical to determine the fair value of the investment in the HRWC due to the lack of comparable market information.

Unless otherwise noted, it is management's opinion that the Municipality is not exposed to significant interest or currency risks arising from these financial instruments.

(b) Credit risk:

The Municipality is exposed to credit-related losses in the event of non-performance by counterparties to the financial instruments. Wherever possible, the Municipality attempts to minimize credit exposure by dealing only with credit worthy counterparties and/or obtaining sufficient security for the applicable financial instrument.

Notes to Consolidated Financial Statements

Year ended March 31, 2016 (In thousands of dollars)

### 18. Amounts contributed for provincially mandated services:

	Budget	2016	2015
School boards	\$ 142,632 \$	142,632 \$	137,102
Assessment services	6,870	6,870	6,815
Social housing	2,975	3,044	2,829
Correctional services	6,615	6,615	6,557
Total	\$ 159,092 \$	159,161 \$	153,303

(a) School boards:

The Municipality is required to provide a mandatory contribution in the amount of \$125,836 (2015 - \$119,856) and supplementary contributions of \$16,796 (2015 - \$17,246) to the Halifax Regional School Board and the Conseil scolaire acadien provincial. These contributions are recorded as expenses in educational services.

(b) Assessment services:

The Municipality is required to pay a share of the cost of operating the Property Valuation Services Corporation based on the total municipal assessment cost times the average of the Municipality's share of the Uniform Assessment and the Municipality's share of assessment accounts. This expense is included in general government services.

(c) Social housing:

The Municipality is required to pay a share of the costs of the operations of the Metropolitan Regional Housing Authority. This expense is included in general government services.

(d) Correctional services:

Municipalities in Nova Scotia are required to make a mandatory contribution to fund the cost of correctional services. The contribution is set by provincial formula and is included in protective services.

Notes to Consolidated Financial Statements

Year ended March 31, 2016 (In thousands of dollars)

### 19. Budget data:

The budget data presented in these consolidated financial statements is based upon the fiscal 2016 operating and capital budgets approved by Council on April 28, 2015, plus the budgeted figures of the recreation, cultural and other facilities, and commissions included in the consolidated financial statements, to the extent that they could be reasonably determined. Council approved budgets are prepared on a modified cash basis which differs from budget amounts reported on the consolidated statement of operations and change in net financial assets which are prepared in accordance with Canadian public sector accounting standards.

The accounting standards in Handbook Section PSAS 3150 Tangible Capital Assets have not been adopted for budget preparation purposes. The fiscal 2016 Council approved budget has been modified to reflect these adjustments.

The chart below reconciles the approved budgets to the budget figures reported in these consolidated financial statements.

	 2016	201
renue		
Operating budget	\$ 869,134 \$	844,34
Capital budget	135,804	144,19

### 20. Segmented information:

The Municipality is a diversified municipal government institution that provides a wide range of services to its citizens, including fire, police, public transit, roads, waste and recycling services, water supply and distribution, wastewater treatment, libraries, and recreation and cultural services.

Segmented information has been prepared by major functional classification of activities provided, consistent with the Consolidated Statement of Operations and provincially legislated requirements.

The major segments are as follows:

General government services: Activities that provide for the overall operation of the Municipality and that are common to, or affect all of, the services provided by the Municipality. This includes the activities of the Mayor and Council, the estimated contaminated sites liability and the following administrative activities: human resources, legal services, office of the Auditor General, finance and information, communications and technology, and the office of the Chief Administrative Officer.

Notes to Consolidated Financial Statements

Year ended March 31, 2016 (In thousands of dollars)

## 20. Segmented information (continued):

Protective services: Activities that provide for the public safety of the inhabitants of the Municipality. This includes police and fire protection and other protective services such as by-law enforcement and protective inspections.

Transportation services: Activities related to public transportation including road transport. This includes public transportation services offered throughout the Municipality using buses, ferries and specialized Access-A-Bus vehicles. Other transportation activities include the planning, development and maintenance of roads, traffic operations, parking, snow and ice control and street lighting.

Environmental services: Activities that provide environmentally regulated services. This includes the collection of garbage and other waste material, the maintenance and operation of sanitary landfill sites, solid waste landfill closure and post-closure costs allocated to the current year, and through the Halifax Regional Water Commission, water supply and distribution and wastewater treatment.

Recreation and cultural services: Activities related to the Municipality's recreation facilities, including swimming pools, skating rinks and arenas, beaches, parks, playgrounds and sports fields. Activities that provide for cultural facilities such as the library and related programs.

Planning and development services: Activities that support and control the Municipality's physical and economic development. This includes activities related to land use planning, zoning and development, activities related to the development of industrial parks, promotion of tourism and activities that enhance local economic development.

Educational services: Activities that provide for the funding of both mandatory and supplementary contributions to school boards.

For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in note 1.

For additional information, see the Consolidated Schedules of Segment Disclosure (see pages 35 and 36).

Schedule of Remuneration of Members of Council and Chief Administrative Officer

Year ended March 31, 2016 (In thousands of dollars)

	2016	2015
Council members:		
M. Savage, Mayor	\$ 171 \$	164

Notes to the Statement of General Rate Surplus

Year ended March 31, 2016 (In thousands of dollars)

## 1. Basis of accounting:

This financial information has been prepared to conform in all material respects to the accounting principles prescribed pursuant to Section 451 of the Municipal Government Act Nova Scotia ("MGA") by The Department of Municipal Affairs and adheres to their Financial Accounting and Reporting Manual ("FRAM") and is intended for the use of Members of Council of the Halifax Regional Municipality ("the Municipality").

This statement is the net actual result of revenue and expenses of the Municipality's Operating Fund, to the extent that those revenues and expenses are included in the calculation of the Municipality's estimate of required sums as determined under Section 93 of the Halifax Regional Municipality Charter, the basis for the general tax rate. As per FRAM Section 3.16(g), any resulting surplus shall be transferred to an operating reserve.

## 2. Significant accounting policies:

Revenue and expenses included in the determination of the general rate surplus are recorded on an accrual basis except as noted below:

- a) Interest expense is recorded on a cash basis;
- b) Debt principal repayments are deducted as an expense;
- c) Inter-fund transfers are included in the financial results of the Operating Fund;
- d) Transfers from the Operating Fund to purchase or construct tangible capital assets are deducted as an expense; and,
- e) Amortization of tangible capital assets, changes in the value of the liability for employee sick leave and the liability for contaminated sites are not included in the determination of the general rate surplus.

MISCELLANEOUS TRUST FUNDS

Notes to Financial Statements

Year ended March 31, 2016

The Halifax Regional Municipality has a number of trust funds as identified in the Schedule of Fund Equity. The trust funds are in place to fund the operation, maintenance and facilities of the identified beneficiary. The trust funds have a variety of restrictions that specify the purpose for which the funds can be used.

## 1. Significant accounting policies:

(a) Basics of accounting

These financial statements have been prepared in according with Canadian accounting standards for notfor-profit organizations.

(b Revenue recognition:

Investment income earned in the miscellaneous trust funds is recognized in the fund in which the interest bearing investment is held.

Tax sales revenue is recognized when received, generally being the date the property is sold.

Capital contribution related to various services fees are recognized as revenue in the period received.

(c Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the year. Actual results could differ from those estimates.

## 2. Accounts receivable:

The accounts receivable balance, \$186,534 (2015 - \$263,562) is due from an entity controlled by the Halifax Regional Municipality. During the year, the entity made principal payments of \$77,028 (2015 - \$71,835) and interest payments of \$16,008 (2015 - \$21,201).

## 3. Investments:

		- · · · ·	2016	2015
Shares, cost			\$ 6,410 \$	6,410
			\$ 6,410 \$	6,410
Shares, market values	Ŧ		\$ 318,004 \$	306,029
		<u> </u>	\$ 318,004 \$	306,029

The market value shown for investments represents the estimated value of the shares as at March 31, 2016. Shares are valued at year end quoted market prices.

# Executive summary

## Purpose of this report\*

The purpose of this Audit Findings Report is to assist you, as a member of the audit and finance standing committee, in your review of the results of our audit of the consolidated financial statements of Halifax Regional Municipality (HRM) as at and for the year ended March 31, 2016. This Audit Findings Report builds on the Audit Plan we presented to the Audit and Finance Standing Committee on May 11, 2016.

## **Changes from the Audit Plan**

There have been no significant changes regarding our audit from the Audit Planning Report previously presented to you.

## Adjustments and differences

We did not identify any adjustments that were communicated to management and subsequently corrected in the financial statements.

liability for loss or damages or claims, if any, to or by any third party as this Audit Findings Report has not been prepared for, and is not intended for, and should not be used by, \* This Audit Findings Report should not be used for any other purpose or by anyone other than the audit and finance standing committee. KPMG shall have no responsibility or any third party or for any other purpose.

KPING cutting through complexity Halifax Regional Municipality Audit Findings Report for the year ended March 31, 2016 4

# Executive summary

## Finalizing the audit

As of June 9, 2016, we have completed the audit of the consolidated financial statements, with the exception of certain remaining procedures, which include amongst others:

- Receipt of Halifax Water Commission Group Audit communications form Grant Thornton and related review;
- Receipt of legal letter;
- Receipt of signed management representation letter;
- Completing our discussions with the audit and finance standing committee; and
- Obtaining evidence of the Council's approval of the consolidated financial statements.

We will update the audit and finance standing committee, and not solely the Chair (as required by professional standards), on significant matters, *if any*, arising from the completion of the audit, including the completion of the above procedures. Our auditors' report will be dated upon the completion of any remaining procedures.

## Control and other observations

We did not identify any control deficiencies that we determined to be significant deficiencies in ICFR.

## Critical accounting estimates

Overall, we are satisfied with the reasonability of critical accounting estimates.

## Significant accounting policies and practices

There have been no initial selections of, or changes to, significant accounting policies and practices to bring to your attention.

Halifax Regional Municipality Audit Findings Report for the year ended March 31, 2016 | 5

# Audit risks and results

Inherent risk of material misstatement is the susceptibility of a balance or assertion to misstatement which could be material, individually or when aggregated with other misstatements, assuming that there are no related controls.

We highlight our significant findings in respect of significant financial reporting risks as identified in our discussion with you in the Audit Plan, as well as any additional significant risks identified.

## Significant financial reporting risks

We did not identify any significant financial reporting risks. See professional requirements on pages 6.

Halifax Regional Municipality Audit Findings Report for the year ended March 31, 2016 6

# Audit risks and results

of management override recognition and the risk Professional standards of controls exist in all presume the risk of fraudulent revenue organizations.

perpetrate fraud because management override of statements by overriding management is typically rebutted, but the risk of manipulate accounting controls that otherwise in a unique position to appear to be operating controls cannot, since The risk of fraudulent records and prepare fraudulent financial recognition can be of its ability to

effectively.

## Our findings from the audit

Professional requirements	Our findings from the audit
Fraud risk from revenue recognition	Management's bias related to fraud risk of revenue is addressed through the risk of management override of controls. Please refer to findings discussed below.
Fraud risk from management override of controls	We have performed the required procedures, which includes substantive testing of journal entries and other adjustments, retrospective review of estimates and evaluating the business rationale of significant unusual transactions.
	There were no issues or significant unusual transactions identified and therefore no impact on our audit.

our assessment of the We have summarized subjective areas.

## Criticol

Asset / liability	Balance (\$'000s)	KPMG comment
Measurement of employee future benefits liability	\$53,895	Employee future benefits are determined based on management's best estimate of the obligations that have accrued to employees for benefits they will receive at or after retirement. In order to determine the obligation, key assumptions and estimates are made and used by actuaries to project the benefits based on the demographics of the current employees. Key considerations in determining the obligation include the discount rate to discount the future obligation to present day and salary increases that will impact the future amounts required to be paid under the programs. Discount rates are based on borrowing rates available to the Municipality and salary increases reflect historical salary adjustments. We agreed with the estimates made by management. We relied on management's experts who prepared the estimate and represented to us that they believed these estimates to be reasonable based on accepted actuary practices in Canada.

We believe management's process for identifying critical accounting estimates is considered adequate.

Halifax Regional Municipality Audit Findings Report for the year ended March 31, 2016 8

# Financial statement presentation and disclosure

The presentation and disclosure of the financial statements are, in all material respects, in accordance with the Company's relevant financial reporting framework. Misstatements, including omissions, if any, related to disclosure or presentation items are in the management representation letter included in the Appendices.

We also highlight the following:

## **INDEPENDENT AUDITORS' REPORT**

To Mayor and the Councillors of the Halifax Regional Municipality

We have audited the accompanying consolidated financial statements of the Halifax Regional Municipality, which comprise the consolidated statement of financial position as at March 31, 2016 the consolidated statements of operations and accumulated surplus, change in net financial assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information including the schedule of remuneration of members of council and chief administrative officer and consolidated schedules of long-term debt and segment disclosure.

## Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

## Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Halifax Regional Municipality as at March 31, 2016, and its consolidated results of operations, its consolidated changes in net financial assets, and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

## Appendix 2: Draft Management representation letter

KPMG LLP Chartered Professional Accountants Purdy's Wharf Tower I 1959 Upper Water Street, Suite 1500 Halifax, Nova Scotia, B3J 3N2

## June •, 2016

## To Whom It May Concern:

We are writing at your request to confirm our understanding that your audit was for the purpose of expressing an opinion on the consolidated financial statements (hereinafter referred to as "financial statements") of Halifax Regional Municipality ("the Entity") as at and for the period ended March 31, 2016.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

## GENERAL:

- 1) We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated February 11, 2013, for:
  - a) the preparation and fair presentation of the financial statements and believe that these financial statements have been prepared in accordance with the relevant financial reporting framework;
  - b) providing you with all relevant information, such as all financial records and related data, including the names of all related parties and information regarding all relationships and transactions with related parties, and complete minutes of meetings, or summaries of actions of recent meetings for which minutes have not yet been prepared, of shareholders, board of directors and committees of the board of directors that may affect the financial statements, and access to such relevant information;
  - c) such internal control as management determined is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error;
- d) ensuring that all transactions have been recorded in the accounting records and are reflected in the financial statements.

## INTERNAL CONTROL OVER FINANCIAL REPORTING:

2) We have communicated to you all deficiencies in the design and implementation or maintenance of internal control over financial reporting of which management is aware.

## FRAUD & NON-COMPLIANCE WITH LAWS AND REGULATIONS:

- 3) We have disclosed to you:
  - a) the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud;
  - b) all information in relation to fraud or suspected fraud that we are aware of and that affects the Entity and involves: management, employees who have significant roles in internal control, or others, where the fraud could have a material effect on the financial statements;
  - c) all information in relation to allegations of fraud, or suspected fraud, affecting the Entity's financial statements, communicated by employees, former employees, analysts, regulators, or others;
  - all known instances of non-compliance or suspected non-compliance with laws and regulations, including all aspects of contractual agreements, whose effects should be considered when preparing financial statements;
  - e) all known actual or possible litigation and claims whose effects should be considered when preparing the financial statements.

## **COMMITMENTS & CONTINGENCIES:**

- 4) There are no:
  - a) other liabilities that are required to be recognized and no other contingent assets or contingent liabilities that are required to be disclosed in the financial statements in accordance with the relevant financial reporting framework, including liabilities or contingent liabilities arising from illegal acts or possible illegal acts, or possible violations of human rights legislation;
  - b) guarantees, whether written or oral, under which the Entity is contingently liable.

## SUBSEQUENT EVENTS:

5) All events subsequent to the date of the financial statements and for which the relevant financial reporting framework requires adjustment or disclosure in the financial statements have been adjusted or disclosed.

## NON-CONSOLIDATED PARTIES SUBJECT TO INFLUENCE:

6) We have disclosed to you the identity of the Entity's parties which are not consolidated but over which the Entity has significant influence and all similar relationships and transactions of which we are aware and all similar relationship and transactions have been appropriately accounted for and disclosed in accordance with the relevant financial reporting framework.

## **RELATED PARTIES:**

- 7) We have disclosed to you the identity of the Entity's related parties.
- 8) We have disclosed to you all the related party relationships and transactions/balances of which we are aware.
- 9) All related party relationships and transactions/balances have been appropriately accounted for and disclosed in accordance with the relevant financial reporting framework.

## **ESTIMATES:**

10) Measurement methods and significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.

## **NON-SEC REGISTRANTS OR NON-REPORTING ISSUERS:**

11) We confirm that the Entity is not a Canadian reporting issuer (as defined under any applicable Canadian securities act) and is not a United States Securities and Exchange Commission ("SEC") Issuer (as defined by the Sarbanes-Oxley Act of 2002). We also confirm that the financial statements of the Entity will not be included in the consolidated financial statements of a Canadian reporting issuer audited by KPMG or an SEC Issuer audited by any member of the KPMG organization.

## **ASSETS & LIABILITIES - GENERAL:**

- 12) The Entity has satisfactory title to all assets.
- 13) There are no liens or encumbrances on the Entity's assets.
- 14) We have no plans or intentions that may affect the carrying amount or classification of assets and liabilities.

## **CONTRACTUAL AGREEMENTS:**

15) The Entity has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of non-compliance including violations or default of the covenants in the Entity's debt agreements.

## **ENVIRONMENTAL MATTERS:**

16) The Entity has appropriately recognized, measured and disclosed environmental matters in the financial statements, including estimated closure costs related to landfills.

## **EMPLOYEE FUTURE BENEFITS:**

- 17) The employee future benefit costs, assets and obligations, if any, have been determined, accounted for and disclosed in accordance with the financial reporting framework.
- 18) The employee future benefit costs, assets and obligations have been determined, accounted for and disclosed in accordance with PSAS 3250 and 3255. In particular:
  - a) each actuarial assumption used reflects management's best estimate solely with respect to that individual assumption, determined on a basis that the plan will continue to be in effect in the absence of evidence to the contrary;
  - b) the set of actuarial assumptions for each plan are individually consistent;
  - c) the discount rate used to determine the accrued benefit obligation for each plan was determined by reference to market interest rates at the measurement date on high-quality debt instruments with cash flows that match the timing and amount of expected benefit payments; or inherent in the amount at which at the accrued benefit obligation could be settled.

## **EXPERTS / SPECIALISTS:**

19) The information provided by us to Morneau Shepell and Aon Hewitt (the experts) and used in the work and findings of the experts are complete and accurate. We agree with the findings of the experts in evaluating the employee future benefits disclosure and have adequately considered the qualifications of the experts in determining the amounts and disclosures used in the financial statements and underlying accounting records. We did not give or cause any instructions to be given to the experts with respect to the values or amounts derived in an attempt to bias their work, and we are not otherwise aware of any matter that have had an impact on the independence and objectivity of the experts.

## **CONTINGENT LIABILITIES:**

20) The Entity is subject to a number of legal matter including lawsuits and complaints that could result in a future settlement. We have provided you with a complete listing of all identified matters with an estimated or potential settlement of greater than \$100,000 if the Entity is considered at fault or decides to settle the matter. All material matters, individually and in aggregate, have been considered under the accounting framework and where significant have been measured and/or disclosed in the financial statements.

**OTHER:** 

21) We have disclosed to you all properties that have a potential contamination and could require a liability to be recognized under PS 3260 Liability for Contaminated Sites. The liability recorded at March 31, 2016 reflects management's best estimate of the amount required to remediate the contaminated sites as is based on all information available at the financial statement date.

Yours very truly,

John Traves, Q.C., Acting Chief Administrative Officer

Amanda Whitewood, Director, CFO Finance and Information, Communication and Technology

cc: Audit and Finance Standing Committee

## **Attachment I – Definitions**

## MATERIALITY

Certain representations in this letter are described as being limited to matters that are material. Misstatements, including omissions, are considered to be material if they, individually or in the aggregate, could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements. Judgments about materiality are made in light of surrounding circumstances, and are affected by the size or nature of a misstatement, or a combination of both.

## FRAUD & ERROR

Fraudulent financial reporting involves intentional misstatements including omissions of amounts or disclosures in financial statements to deceive financial statement users.

Misappropriation of assets involves the theft of an entity's assets. It is often accompanied by false or misleading records or documents in order to conceal the fact that the assets are missing or have been pledged without proper authorization.

An error is an unintentional misstatement in financial statements, including the omission of an amount or a disclosure.

## **RELATED PARTIES**

In accordance with Public sector accounting standards, a related party is defined as:

 when one party has the ability to exercise, directly or indirectly, control, joint control or significant influence over the other. Two or more parties are related when they are subject to common control, joint control or common significant influence. Two not-for-profit organizations are related parties if one has an economic interest in the other. Related parties also include management and immediate family members.

In accordance with Public sector accounting standards, a related party transaction is defined as:

• a transfer of economic resources or obligations between related parties, or the provision of services by one party to a related party, regardless of whether any consideration is exchanged. The parties to the transaction are related prior to the transaction. When the relationship arises as a result of the transaction, the transaction is not one between related parties.

# Appendix 4: Background and professional standards

## Internal control over financial reporting

As your auditors, we are required to obtain an understanding of internal control over financial reporting (ICFR) relevant to the preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the financial statements, but not for the purpose of expressing an opinion on internal control. Accordingly, we do not express an opinion on the effectiveness of internal control.

Our understanding of ICFR was for the limited purpose described above and was not designed to identify all control deficiencies that might be significant deficiencies and therefore, there can be no assurance that all significant deficiencies and other control deficiencies have been identified. Our awareness of control deficiencies varies with each audit and is influenced by the nature, timing, and extent of audit procedures performed, as well as other factors.

The control deficiencies communicated to you are limited to those control deficiencies that we identified during the audit.

## Documents containing or referring to the audited financial statements

We are required by our professional standards to read only documents containing or referring to audited financial statements and our related auditors' report that are available through to the date of our auditors' report. The objective of reading these documents through to the date of our auditors' report is to identify material inconsistencies, if any, between the audited financial statements and the other information. We also have certain responsibilities, if on reading the other information for the purpose of identifying material inconsistencies, we become aware of an apparent material misstatement of fact.

We are also required by our professional standards when the financial statements are translated into another language to consider whether each version, available through to the date of our auditors' report, contains the same information and carries the same meaning.
