ES-JEM Request for Participation JEM JAMBOREE - Saturday, September 22, 2018 10 AM - 1 PM

Dear Emergency Response Partner

On behalf of the Eastern Shore Joint Emergency Management (ES-JEM) Team, I would like to request your department's assistance in a community Emergency Preparedness awareness campaign.

ES-JEM will be hosting a JEM Jamboree in the parking lot of the Superstore, Porters Lake from 10 am until 1 pm on Saturday, September 22, 2018 (with no rain date).

ES-JEM organizes this annual event as a community awareness project whereby local residents can receive helpful information from a host of emergency services on how they can better prepare themselves and their families for any type of emergency. Each ES-JEM partner is encouraged to have a piece of equipment to showcase their service and /or information pamphlets / emergency preparedness information for distribution.

We hope you or a representative will be able to join us for this event. If you have any questions, please feel free to contact me by either phone or email.

We thank you for the support you have shown in the past and hope you will be able to participate this year.

Thank you for your time and consideration of this request. Respectfully,

Carole Jones ES-JEM 2018 Interim Chair

Hi Coun. Hensbee

We are confirmed to be attending the upcoming ESM Jamboree, and Chief White (Cc'd) asked me to contact you to confirm your continued and generous support of the civic signs program.

As you know in years past this sponsorship program was very well received by your constituents, we at HRM Fire made a point to express/promote your dedicated support to this initiative. It truly makes the difference in locating a residence when every second counts. In an effort to streamline the process for all, we would submit the finalized list of civic signs next day. The forecasted budget this year would be \$1000-\$1200. If you could please advise at your earliest convenience.

Thanks again Adam FF Station 20 HRFE
