

DEAR RESIDENTS, A Nod to March!

The last few weeks of meetings have been heavy on budget, Regional Council, discussions with Halifax Fire, the RCMP, Audit & Finance, North West Community Council and North West Planning Advisory Committee. I also attended my first committee of the Accessibility Advisory Committee.

With social distancing and masks, celebrating March 8th, 2021 International Women's Day as a panelist with fellow Councillor Pam Lovelace as co-host of: **Choose to Challenge: Women's Resilience in the Time of COVID-19** was a highlight for me. As was a Sunday trip to **Carroll's Corner Vendor Market** to purchase a few goodies and say hello. I was also able to attend the **Waverley Community Association** Board meeting and a trip to **Meaghers Grant**. It was a pleasure to meet with The Square Roots ladies in Chaswood.

The Fall River Lions Christmas Express – **Easter Caring Operation** was a success thanks to a caring community!

APRIL AT A GLANCE:

Happy Passover, Happy Easter, Ramadan Mubarak and welcome Spring! April has certainly brought us the rain showers and with a bit of luck hopefully the last of the snow.

April is <u>#AutismAcceptanceMonth</u>

April 22nd, 2021 is Earth Day - HalifACT

HalifACT is our collective response to the climate crisis. Visit our website to learn how we plan to support an equitable shift to a low-carbon economy by 2050 and join us at the 2021 Smart Energy Conference, taking place virtually April 20-22, 2021.

BUDGET UPDATE

Budget deliberations continue into April, and there are so many factors to consider which is one reason we ask for briefing notes on options that are considered over budget or under budget. Council needs as much information as possible to make the best decisions. That includes our residents – please consider making your opinions known. Citizens will be given an opportunity to speak directly to Regional Council about budget priorities. Time will be set aside during these meetings for the public to provide insight and comments virtually. Registration is required to be added to the speakers list. Please contact the Clerk's Office at 902-490-4210 or by email at clerks@halifax.ca no later than 4:30 p.m. the day before a meeting. Here is our schedule for April and May:

Wednesday, April 7

Planning & Development Contingency date: Friday, April 9

Wednesday, April 21

Budget Adjustment List (BAL) review Contingency date: Thursday, April 22

Tuesday, May 4, 2021

Full review of final budget Contingency date: Wednesday, May 5

MEAGHERS GRANT UPCOMING MFFTING

Members of the Meaghers Grant Community
Association invited me for a visit of the baseball field, and that led to a great opportunity! Please join us for a walking tour of the Meagher's Grant ball field property and public brainstorming

session at the **Community Hall on May 3rd, 2021 at 6pm**.

All ages are encouraged to come show what you love about the ball field and share any concerns you have. After the tour we will move to the Hall to brainstorm and share your visions for the future.

The Association has also confirmed that your MLA Larry Harrison and MP Sean Fraser plan to be in attendance.

NEIGHBOURHOOD PLACEMAKING

HRM will be launching our first of four
Neighbourhood Placemaking kits during National
Volunteer Week – April 18th -24th. Since Covid
has put a pause on gathering for large
placemaking projects, we're offering
neighbourhood kits as a booster project. There
will be seed kits, chalk kits, recipe kits and
storytelling kits. Participants will make a plan to
grow their plants 'together apart' and connect

through the shared activity. Supplies will be limited, and will be first come, first serve, per recreation area. Please visit our <u>webpage</u> for more information.

CASE 19117 – OLD TRURO ROAD, ELMSDALE

IF YOU REGISTERED TO SPEAK AT THE MEETING THAT WAS POSTPONED PLEASE **RE-REGISTER** FOR THE APRIL 12TH PUBLIC HEARING

North West Community Council will be holding a virtual public hearing regarding Case 19117 (Castlegrove Mobile Home Park) on Monday, April 12th at 7:00 pm. If you wish to speak at the public hearing, please email clerks@halifax.ca or call 902.490.4210 to register as a speaker by 4:30 pm Friday April 9, 2021. MIDDLE MUSQUODOBOIT LAND ACQUISITION

HRM acquired Lot 74-1, Highway 224, Middle Musquodoboit PID 40219396, approximately 21,300 square feet in area to be used for a park type. Next steps - we need to determine which assets will be installed and prepare a cost estimate for possible inclusion into the 2022/23 Capital Budget. We shall work with our Community Developer to consult with the community and make a plan! Stay tuned for an outdoor meeting in May.

The purpose of the rural recreation strategy is to provide analysis on future needs for parks and recreation services in the rural areas of the municipality.

Your responses will help guide the municipality in determining effective ways of providing recreational and park opportunities.

For the purposes of this survey, the municipality defines "rural" as those areas outside the urban transit boundary. These areas include the Musquodoboit Valley Region, Peggy's Cove, Eastern Shore Region, St. Margarets Bay, Upper Sackville, Sambro, and Timberlea.

The deadline for completing this survey is Sunday, May 23, 2021. To take part, go to: https://www.halifax.ca/home/surveys

RURAL RECREATION STRATEGY SURVEY

The Halifax Regional Municipality is conducting a series of surveys on recreation services in rural areas.

REPORT A POTHOLE OR SINKHOLE

Tis the season! Report a pothole or sinkhole on a municipally-owned street or sidewalk.

Potholes are caused when the asphalt on the surface of a road has deteriorated from the top, but you can still see asphalt underneath. **Sinkholes** are caused by erosion from underneath and when you look into the hole you cannot see any pavement.

If you are reporting a pothole on a 100-series highway, please contact Nova Scotia Transportation and Infrastructure Renewal (NSTIR) at TPWPAFF@novascotia.ca. This includes ramps leading to and from the highway, as well as overpasses above 100-series highways.

To learn more about the municipality's roadway and sidewalk maintenance program, <u>click here</u>.

SECONDARY AND BACKYARD SUITES

Recent amendments to secondary and backyard suites now permit accessory to a single unit, two-unit or townhouse dwellings. Secondary and backyard suites can be used by aging parents or adult children or used as rental units for the general public.

ATV's: Ride Safe, Respect the Rules and Personal Property

With warmer weather approaching, the Nova Scotia RCMP is reminding all-terrain-vehicle (ATV) enthusiasts to make safety a priority when on the trails this season.

Each year, the Nova Scotia RCMP responds to ATV collisions, some resulting in fatality or serious injury. The majority of these collisions are a result of speed, impaired driving and not wearing a helmet. Since 2018, there were 38 ATV collisions that resulted in fatality or serious injury in areas policed by the Nova Scotia RCMP.

"We have seen first-hand the painful impacts fatal and serious collisions can have on everyone involved," says Cpl. Lisa Croteau of the Halifax District RCMP. "We want to remind riders that the laws are in place to help keep everyone safe while enjoying the outdoors."

Here are some tips to ensure everyone's safety when out on the trails:

- Start with safety training. This will prepare you to confidently and safely enjoy your ATV
- Stay on marked trails except where travel across a roadway is necessary.

- Obey the rules of the road/trail and respect posted signs, as well as the rights of other riders.
- Ride sober. Driving under the influence of alcohol or drugs is a criminal offence and can lead to serious injuries or even death for riders, passengers and others.
- Always wear protective clothing, including a helmet, gloves and eye protection.
 Helmets are required, even if you are driving in a side-by-side.
- Tell someone when you are leaving and when you will be back. Avoid riding alone, and carry a first aid kit, tow rope, overnight bag in case you need it.
- Do a pre-ride inspection every time you drive your ATV. Check the tires for wear and rims for damage. Look over your controls and made sure all cables and connections are intact.

It is important to know that the Nova Scotia Offhighway Vehicles Act has specific requirements for youth. All ATV operators under 16 years of age must complete an approved safety training course and be supervised by someone who is at least 19 years old.

Nova Scotia RCMP will continue to patrol roadways and trails to enforce safe off-highway vehicle use.

Those who violate the Off-highway Vehicles Act could face a penalty of over \$400 for a first offence and have their vehicle seized.

Please help protect everyone by riding safely and responsibly. For more information on off-highway vehicle use, visit http://novascotia.ca/natr/ohv/.
