

## DISTRICT 5

# Jennifer Waugh

Jennifer has been around the world and she has never before found a place like the MacPhee Centre. Passionate about giving back to her community, she helps create a supportive and caring environment no matter what she is doing. Whether she's serving dinner at a food bank, re-shelving books at a library, or teaching adults how to create safer spaces for young people of colour, she always puts her all into everything she does.
