

DISTRICT 6

Joy Laing

Joy has been a true inspiration to the people of HRM! Her contributions are numerous. She volunteers with Big Brothers Big Sisters on a regular basis with her “lil” Brother Tyrell; she ensures meals are cooked and supplies are filled at Bryony House, Adsum House and Margaret’s House; and she asks for donations for the Salvation Army during the annual Christmas drive. As she continues to add to her volunteer endeavors, I would just like to thank her for all the hard work she does! May she continue to make the lives of the less fortunate a little better!
