

DISTRICT 9

Marco Redden

Marco has enhanced the lives of several Northwood residents by assisting them to achieve their fitness and wellness goals. He has brought his youthful inspiration into their lives and opened up the topic of intergenerational justice to seniors living in Northwood. He is a Mount Saint Vincent University Gerontology student and an advocate for the mutual benefits of younger people getting involved in long term care as volunteers. He has created a warm and welcoming atmosphere and has been an inspiration!
