

DISTRICT 12

George Findlay

George Findlay has dedicated over 30 years as Board Chair of the Halifax Forum Community Association. He was instrumental in ensuring the Forum would stay standing proudly on the corner of Almon and Windsor Streets.

George has worked tirelessly to ensure the Forum maintains its profitable financial status, which enables minor sport and community-based groups to take full advantage of the affordable amenities the Forum complex provides. George recently retired from the HFCA board in March of 2020 and we wish him nothing but success in the future. Thanks for the 31 years of service.
