Irekanmi Awoyiga

Irekanmi is a focused, driven, and inspirational youth who believes in bettering the community he lives in. His positive attitude and contagious smile brought a lot of joy into the camp environment where he made a tremendous impact on those around him. When Irekanmi has an idea, he brings that vision to life as demonstrated when he founded the CPA Innovation Club. Our community has truly improved since Irekanmi started volunteering with HRM Recreation, the Generation 1 Leadership Initiative, and the Nova Scotia Ombudsman Youth Council. He is a true role model in our community.
