# Roberta Hibbert

As founder of Our Community Market, Roberta created a safe space for youth entrepreneurs to launch their business ideas and support a cause of their choice. Roberta's hard work and dedication extends to her additional volunteer work with the Beaver Bank Business Association, Mount Saint Vincent Alumnae Association, Beaver Bank Kinsac Community Awareness Association, Beaver Bank Kinsac Community Centre, and the Canadian Foundation of Healthcare Improvement.

Roberta is an invaluable member of the community. She contributes upwards of 250 hours per year to projects that benefit our communities in an inclusive way. She is the epitome of what a volunteer is.
