

DISTRICT 16

Madeline Harper

Madeline started volunteering with Sparks when she was in fourth grade and continues to give her time mentoring guiders and passing along her wealth of information about Guiding traditions. She can be counted on to help at Girl Guide meetings, events, and camps. She has also volunteered with the Bedford Beavers Swim Team, the HRM Youth Leadership Program, the Bedford Lion's Club. We would like to thank Madeline for being such a dedicated, hard-working and inspiring young leader.
