

DISTRICT 16

Edward John McHugh

There are very few volunteer organizations in Bedford, HRM, and even Nova Scotia that have not benefitted from Ed McHugh's volunteer service. He is a tireless worker and an exceptional leader. Ed can be described as extremely generous and giving of his time and talents. We would like to thank him for his determination, patience, and leadership qualities that many organizations such as the 100 Bedford Men who Care, the Northwood Healthcare Board, Special Olympics NS, the Community Justice Society, the St. FX Alumni Association, Alzheimer Society of Nova Scotia, the Governor General's Canadian Leadership Conference, L'Arche Canada Foundation, and many basketball organizations, including Basketball Nova Scotia, the Bedford Eagles, the NS Association of Basketball Officials and the CP Allen Girls Junior Varsity Team, have benefitted from over the years. He is a volunteer with as much heart as he has accomplishments.
