### **Municipal Requirements**

16. Halifax Regional Municipality (The municipality) and the Special Events Task Force follow the Special Events Administrative Order (Administrative Order Number 2014-010-ADM). The administrative order clearly outlines timelines, costs, procedures and responsibilities of the event organizer and the municipality to ensure the delivery of safe, efficient and accountable events. Applications received after the 120 days will be assessed on a case-by-case basis and if scheduling permits.

#### 17. Insurance

Where a special event is being held on municipal lands, the following insurance requirements shall apply:

- (a) The municipality requires special event organizers to provide and maintain General Liability insurance subject to limits of not less than Two Million dollars (\$2,000,000) inclusive per occurrence for incident, bodily injury, death and damage to property. The policy will be held with an insurer acceptable to the municipality and the policy shall contain a cross liability, waiver of subrogation and include coverage for tenant's legal liability and personal injury.
- (b) The event organizer shall provide a Certificate of Insurance within 10 business days of the event date, evidencing proof of the required insurance with the municipality named on the policy as Additional Insured.
- (c) Dependent on the scope and nature of the special event and as determined by the municipality (Risk and Insurance Services), the event organizer may be required to provide additional insurance coverage in excess of Two Million dollars (\$2,000,000).
- (d) If the special event involves sale of liquor or if liquor is consumed as part of the special event, the required General Liability limits are increased to Five Million Dollars (\$5,000,000) per occurrence, with liquor not excluded from the policy and the special event must comply with the requirements of Administrative Order 53, the *Municipal Alcohol Policy*.
- (e) The event organizer must complete and sign a Statement of Indemnification, in the form provided by the municipality.
- 18. Where the special event is held on municipal lands, the organizer shall be present on site at the event for the duration of the event, observe all applicable laws, ensure that an approved event starts and ends on time; and ensure the municipal lands are returned to their original state and cleaned of all debris and waste after the special event is over. Organizers are responsible for all damage to municipal lands and associated infrastructure as assessed by municipal staff, at the organizer's special event.
- 19. The applicant/event organizer acknowledges that the municipality is subject to Part XX of the *Municipal Government Act* (SNS 2008 c 39) regarding Freedom of Information and Protection of Privacy, that the municipality may be required to disclose applicant/event organizer information in response to an access to information request and that the information provided by the applicant/event organizer to the municipality in this application may be disclosed to third parties, including but not limited to volunteer committee members, elected officials and government agencies, for the purposes of this application.
