Subject: [External Email] May I present to the next North West Community Council?
Date: Wednesday, August 27, 2025 2:52:28 PM

[This email has been received from an external person or system]

Hello

Would it be possible to schedule me for a presentation at the next North West Community Council meeting? I would be presenting on behalf of the Sandy Lake Conservation Association about current issues regarding Sandy Lake, which is in Councillor Young's district. We met with him last week and provided information he suggested should be put before NWCC as soon as possible.

Thank you very much,

Karen

President, Sandy Lake Conservation Association
