

TOWN PLANNING.

City Hall, November 20th, 1917.

The City Council.

Gentlemen:-

The Board of Control recommend for adoption the accompanying report of the Acting City Engineer which recommends that the Commission of Conservation be requested to permit their town planning advisor, Mr. Thomas Adams, to co-operate with the City Engineer in replanning the part of the City affected by the disaster.

Respectfully submitted,

L. Fred Moriaghan.

Secretary Board of Control.

City Engineer's Office,
December 15th, 1917.

His Worship the Mayor.
Sir:-

Mr. Adams the Town Planning Advisor of the Commission of Conservation is in town, and has informed me that the Chairman of the Commission has instructed him to place his services at the disposal of the City should the latter require the same

I consider that it is in the interests of the City to have the benefit of all the experience that can be obtained, in our endeavor to improve it, and I would recommend that the offer of the Commission be accepted, and that Mr. Adams be asked to co-operate with your City Engineer in replanning the part of the City affected by the late disaster.

H. W. Johnston,
Acting City Engineer.
