

Dartmouth Park Commission

TO THE RATEPAYERS OF THE TOWN OF DARTMOUTH
Ladies and Gentlemen:—

I herewith submit statement of the Park. Legislation was obtained last year for the transfer of that portion of the Park Property north of Exhibition Building, to the Town, for the purpose of selling same in building lots to the citizens. Plans have been prepared, but owing to the Disaster of Dec. 6th no further action has been taken, but I hope soon to have the matter taken up by the Council.

Annexed you will find Treasurer's Report.

Yours Respectfully

E. F. WILLIAMS,
Chairman.
