City Engineer's Office,
Halifax, July 18, 1918

REPAIRS TO CITY BUILDINGS

His Worship the Mayor,

Sir,

I beg to report on the tenders submitted for repairs to City buildings damaged in the explosion. The tenders received were-

<u>NAME</u>	<u>PROPERTY</u>	<u>TENDER COST PLUS</u>	<u>AMT. OF CHEQUE</u>
D.G. Stewart, Dartmouth	All buildings	12%	\$1450
S.A. Marshall & Son, City	Incinerator	25%	\$200
" " " " "	City Home	25%	\$150
" " " " "	City Prison	25%	\$150
Holmes & McDonald "	Public Gardens	15%	

(There is no memorandum on the tender of any cheque. As I understand that one of the tenders did not contain a cheque, it should not be considered)

The tender of D.G. Stewart for all buildings is the lowest, and I would recommend its acceptance, provided satisfactory contract can be made with them.

Respectfully submitted,

City Engineer
