The Planning Act provides in Section 43(2) that “no development shall be undertaken where a land use By-Law passed under this Act is in effect unless a development permit issued by the development officer has been obtained” and,

according to Section 1(e) of this Act, “development includes any erection, construction, addition, alteration, replacement or relocation of or to any building or structure and any change or alteration on the use made of land, buildings or structures”.

Please note that HRM Council at its meeting on May 9, 2000, approved a motion to insert the following notation in the Land Use By-Law as follows:

The provisions of the zones described in this bylaw do not apply to property owned or occupied by Her Majesty the Queen in right of the Province of Nova Scotia or Canada in respect of a use of the property made by the Crown. Where a privately owned or occupied property is to be used for a federally regulated activity, the federal jurisdiction may, depending on the particular circumstances, override the requirements of this By-Law.
