

Philip Love

Philip loves to serve his community. His roles include scout leader and treasurer for multiple boards, including UDFC. Philip impacts over 3000 people with his efforts. Shortly after joining the Board of UDFC, he was forced to guide the organization through the unknowns of a global pandemic. During this time, Philip guided the club through difficult decisions, which balanced the needs of members and finances. That is a delicate balancing act and the club is grateful for Phil's leadership and tremendous efforts.
