

## **Mike Beamish**

Mike has volunteered with many organizations and has served multiple roles with Chebucto Minor Hockey, such as President, Team Manager, Safety Officer and VP Recreation Hockey. Mike volunteers daily, through all seasons, impacting the lives of hundreds of children and youth every year. Mike was back on the baseball field helping to train young umpires two months after undergoing a stem cell transplant two years ago and hasn't slowed down since, as he continues to give of himself. As Mike says, "it's all about the kids."
